REPORTS

President's Report

Congratulations to trustee Gene Verdu, who celebrated a birthday August 6 but was unable to attend our Board meeting; and trustee Bob Morton, who celebrated a birthday yesterday, September 18. Gentlemen, thank you for all you do on behalf of Southwestern Illinois College.

Senator Durbin and Congressman Costello called this afternoon to congratulate Southwestern Illinois College participation in Harper College's FUNDED TAA Grant – Round 2. The grant promotes skills development and employment opportunities in fields such as advanced manufacturing, transportation and health care, as well as science,

technology, engineering and math careers through partnerships between training providers and local employers. The initiative complements President Obama's broader goals to help ensure that every American has at least one year of postsecondary education and the U.S. has the highest proportion of college graduates in the world by 2020. In total, 297 schools will receive grants as individual applicants or as members of a consortium. SWIC is one of them. A majority of SWIC's $609,000 award will go toward the purchase of electrical automation equipment and software. The grant will allow SWIC to develop an advanced manufacturing certificate in the area of electrical automation. In combination with the round 1 TAA award of $1.379M, this defines SWIC's Technical Education Division as the leader in advanced manufacturing training regionally, statewide, and among the best in the nation.

Each month the Instructional Division will provide a report entitled Professional/Scholarly/Service Activities which will highlight faculty members and their accomplishments. These reports are provided to the trustees and will be made a part of the public record.

On October 12, SWIC adult education staff will attend an all-day meeting in Springfield hosted by ICCB's Adult Education staff during which they will learn the new GED testing procedures and how they will be implemented throughout the state. GED testing fees are expected to increase beginning January 1, 2013.

Of the 70 former Adult Education students served in FY2012, 50 are enrolled this fall, 9 earned degrees or certificates, and 4 transferred to another post-secondary institution. This is a 90% retention rate! Among these 70 students, more than half received scholarships, and many were on the Dean's list.

AmeriCorps members began their 18th year of service in Belleville Area Schools. An article featuring AmeriCorps member Gay Eckert appeared in the September 9 Belleville News Democrat Sunday Magazine. The article featured information on the new AmeriCorps program that allows members over the age of 50 to give their educational stipend to their children or grandchildren for college expenses.

Community Service Activity (CSA) classes are beginning at all three campuses. 113 people attended the Utah Concealed Firearm Permit Course on Saturday, September 15.

SWIC partnered with St. Clair County States Attorney Brendan Kelly and the St. Clair County Sheriff's Department in the gun buyback program, "Turn It In, Turn It Around," conducted in East St. Louis on Saturday, August 25.

PSOP will be the host site for the Cycling Savvy event, a 3-part cycling training program co-sponsored by SWIC and Heartlands Conservancy, on September 27and 29. Participants will learn bicycle-specific laws, bicycle safety, and conclude the event with a 10-mile tour of Metro-East roads in this area.

The Retired Senior Volunteer Program (RSVP) Recognition Luncheon was held on Friday, September 14 at Fischer's Restaurant in Belleville with approximately 425 in attendance.

The Red Bud Campus College Activities hosted a Blood Drive on August 30. Representative Jerry Costello II, together with 32 students, faculty, and staff, participated in the Drive.

Red Bud Campus College Activities will host the Recycle-It-All Festival on October 6 from noon to 3:00. Several recycling services will be available to area residents, as well as the Illinois Child Identification Program to provide fingerprinting and DNA sampling for children.

Karen Stallman represented SWIC in the IGEN tent at the Illinois State Fair on August 16 as she dispersed energy related information to fairgoers.

Karen Stallman presented to green team members of the Lawrence Group, a St. Louis architectural firm, during which she informed them of the successful sustainability initiatives happening at SWIC.

315 students and 145 parents packed the gym on Friday, August 10th. Participants were personally welcomed to Southwestern Illinois College and greeted at the door by VP Staci Clayborne and encouraged to visit the booths set up that provided pertinent information from various departments across campus. College Activities Board members served as host and hostesses, answering FAQ and directing guests to open seating. An interactive presentation highlighting the most important facts about SWIC was facilitated by College Activities Director Dave Paeth and a special guest who was planted in the audience to provide entertainment while making certain important questions were addressed. Students chose multiple small group sessions to further enhance their introduction to SWIC. The event culminated with a lunch buffet, College Activities presentations and prize drawings.

The College Activities Board has sponsored several successful events this month:

- Ice Cream Social - over 1,00 students were served; the event provided the opportunity to meet key administrative staff;
- Graffiti Wall - 120 students participated in an interactive art project; the wall will be displayed in the alcove of the 1st floor main complex in October;
- Club Fair - largest held in the past 15 years; 24 organizations reached out to over 500 students; and
- Constitution Day - 95 students registered to vote; 45 students became organ donors.

SWIC's men's soccer team won the annual Mayor's Cup game 2-1 in overtime vs. Lindenwood. The first 100 fans and soccer teams received souvenir coins with a picture of Kashmir on one side and the Lindenwood mascot on the other.

SWIC received awesome publicity in the Belleville News Democrat as students auditioned to be the next Kashmir mascot. The winner will receive a $500 scholarship from the SWIC Foundation in exchange for providing entertainment at home games as well as making appearances at community events.

Friday, September 28th is the date of the annual golf outing @ The Orchards Golf Club, 1499 Golf Course Drive - down the street from the Belleville Campus. At 6 p.m., everyone will have the chance to be the $1,000 winner of the MONEY BALL - GOLF BALL DROP if your ball lands closest to the hole. $5.00 tickets can be purchased in the Athletic Department. Please help spread the word by sharing this information with your family and friends.

The Scholarship Recipient Brunch was held Saturday, September 15 in the Varsity Gym. Approximately 300 people, including Trustee Joseph, attended.

ICCTA Report

Trustee Roehrkasse reported the following actions taken at the September 15, 2012 meeting of ICCTA Board of Representatives held in Springfield, Illinois:

> Received a legislative update from pension expert Steve Zahn, who has been advising ICCTA during pension negotiations with the Illinois General Assembly. Mr. Zahn reviewed SB1673 which would reform pension benefits and shift the employer's share of public employee pension costs to local community college districts.
>
> Learned the next meeting of the ICCTA Board of Representatives will be November 9-10, 2012 in Chicago, Illinois. The meeting will include an expanded Trustee Roundtable session as well as the annual Community College Legal and Legislative Update seminar.
>
> Received the association's FY12 audit. Because of ICCTA's strong fiscal standing, it has not implemented a dues increase in seven years.
>
> Received updates on the activities of ICCB, ACCT, and the Illinois Presidents' Council.

Mr. Roehrkasse reported he participated in a conference call with the college's auditors who reported there were no findings from the ICCB Recognition Visit and no findings from the Foundation audit.

Attorney's Report

Mr. Hoerner stated next month he will provide a quarterly litigation report to the Board of Trustees.

MISCELLANEOUS

Chairman Mance announced the next meeting of the Board of Trustees will be Wednesday, October 17, 2012 at 6:00 p.m. at the Sam Wolf Granite City Campus.

Trustee Joseph stated he attended the recently-held RSVP luncheon where Trustee Gene Verdu was honored for his 25 years of service. Mr. Joseph congratulated him and stated SWIC's RSVP program is one of the best in the state.

ADJOURNMENT

Mr. Morton moved, seconded by Mr. Smith, to adjourn the meeting at 6:42 p.m. The motion carried.
