PHYSICAL THERAPIST ASSISTANT
AAS DEGREE (0027)

*Note: Cost sheet reflects ALL program related expenses. Students entering the PTA Program may already have incurred the cost of the GE courses, have the necessary immunizations or carry health insurance that covers the cost of necessary tests and immunizations, therefore total \$ amount shown may be reduced. All PTA program students are required to submit to a Criminal Background & Registry Check, prior to program start and a random drug screen prior to clinicals. Standard fees are noted below; students living in multiple states may be assessed greater fees when completing the Criminal Background Check. Fees are paid to company conducting checks/screens. Fees associated with sitting for the national licensure exam and attaining a state license to practice are noted at bottom of page, for student reference. These fees are not part of the PTA program and are not paid to Southwestern Illinois College. Application for state licensure and associated fees to practice vary from state to state. Current IL fees are listed below to assist the student in planning for this financial obligation.
