

**Top 20% Tuition Scholarship
2019-2020**

2019-2020 Top 20% Tuition Scholarship Program Conditions

PLEASE NOTE: High school completion refers to high school graduates, high school equivalency completers, and home school graduates.

All applicants must meet all of the following **non-negotiable** conditions. Failure to do so will result in loss of the scholarship for which there is not appeal process to regain.

1. All recipients of this scholarship must be a resident of Community College District 522 at the time of high school completion and during attendance at SWIC.
2. Every new academic year, **you must re-submit** a Top 20% Application and Free Application for Federal Student Aid (FAFSA). Recipients must be eligible to complete the FAFSA to be considered for the scholarship. A student's financial aid file must be complete with an official financial aid award prior to receipt of the scholarship. The deadline to complete all necessary FAFSA required paperwork is the 2nd week off the 1st semester of attendance SWIC's school code is 001636.
3. A complete Top 20% Application (including all required application information) must be submitted by the second week of the first semester of attendance following high school completion. No exceptions.
4. The scholarship must be used toward enrollment within the academic year immediately following high school completion: Fall (8/31/2019), Spring (1/25/2020) or Summer (6/7/2020). The scholarship may be used for the summer semester immediately following high school completion only if continuously enrolled in the fall semester of the following academic year and attends the fall semester. This will be evaluated at the time of awarding and will be based on the first high school credential received.
5. **High school graduates** must be ranked in the top 20% of their graduating class. Proof must be provided by submitting an official 8th semester high school transcript including the number of students in your class and your class rank. If your official transcript has already been sent to Enrollment Services, please notify the Financial Aid Office.
6. **High school equivalency completers** must be ranked in the top 20% of their equivalency group. Proof must be provided by submitting a non-returnable copy of their high school equivalent certificate and official letter from the Adult Basic Education Office identifying them as scoring in the top 20% of their equivalency group.
7. **Home-school graduates** must have a composite score of 25/36 or higher on the ACT test and be at least 16 years old. Proof must be provided by submitting a non-returnable copy of official ACT scores. SAT composite score of 1230/1600 and be at least 16 years old. Proof must be provided by submitting a non-returnable copy of official SAT scores.
8. If the student attends any other college, university, trade school, etc. after high school completion prior to attending SWIC, the student is not eligible to apply for the scholarship. Dual credit earned while the student is still in high school does not affect eligibility.
9. Students may receive the scholarship for up to six semesters of continuous enrollment (summer attendance not required). If the student has a break in enrollment, the scholarship is terminated. If a student chooses to attend summer, it will count as one of the six semesters. Once the scholarship is awarded semesters will be counted if in attendance regardless if scholarship dollars awarded.
10. To maintain continuous scholarship eligibility, you must maintain a 3.0 semester GPA and a cumulative completion rate of 67%, regardless of the source of tuition payment. Cumulative completion rate may be calculated by dividing total hours earned by total hours attempted.
11. This scholarship will be superseded by any other financial aid assistance (e.g. grants, scholarships, veteran benefits) received by the student. Any financial assistance that covers tuition will be applied first prior to the scholarship. The scholarship may only be used after all other aid resources have been applied and a remaining tuition balance exists.
12. The scholarship pays tuition only for classes that appear on the student's academic transcript. It does not pay fees, books or fees associated with proficiency examinations or fees for dropped classes that are not on transcript (tuition cost).
13. Students must be degree or certificate seeking at SWIC to receive the scholarship.

Frequently Asked Questions

- 1. Who is considered a District 522 resident?** Students who reside in Madison, Monroe, St. Clair, Randolph or Washington counties and meet the residency requirements of the College. If you have any questions about your residency, contact SWIC Enrollment Services.
- 2. Can I use the Top 20% to attend SWIC in the summer?** Scholarships may be used for summer semesters if the application is complete and approved by the end of the second week of the summer term, student is degree/certificate seeking at SWIC, and continues enrollment into the next semester of the next academic year. The student is subject to all of the academic requirements listed in the conditions section of the application.
- 3. If I graduate from high school early, can I attend SWIC in the spring?** You may use the scholarship for the first SWIC semester that begins after your documented high school completion.
- 4. Can I go to another college in the fall, transfer to SWIC in the spring, and receive the scholarship?** No. SWIC must be the first post-secondary institution you attend. However, college credit earned while still in high school will not prevent a student from participating in the Top 20% Scholarship Program.
- 5. Can I receive the Top 20% for spring if I didn't attend college in the fall?** Yes. As long as you are a first time college student, you may begin using your scholarship in the spring term. The scholarship must be used within the academic year following high school completion. If you attended Southwestern Illinois College in the fall and do not complete application requirements by 2nd week of the fall term you will be ineligible for the scholarship. Applications received after the deadline will not be considered.
- 6. Is there a deadline to apply for the scholarship?** Yes. The application and all materials must be submitted by the end of the second week of the semester that the student enrolls following high school completion. Applications received after the deadline will not be considered.
- 7. Can a 7th semester high school transcript be used to apply for the scholarship?** Although the Top 20% program is based on the 8th semester high school transcript, early graduates can use the 7th semester transcript.
- 8. May I use the scholarship if I am receiving other types of financial aid?** Yes, but only if there is a remaining tuition balance. If you are receiving other financial aid assistance that covers all of your tuition costs, you will be ineligible for the scholarship. If you used all grants and any other aid during the fall and spring semesters, Top 20% can cover summer semester tuition.
- 9. I can't complete the FAFSA. Can I still apply for the Top 20% scholarship?** Students unable to complete the FAFSA—for any reason—are not eligible for the Top 20% scholarship.
- 10. Can somebody help me complete my FAFSA?** Students and their parent(s) can get help completing their FAFSA through the Personal Advocate Linking Services (PALS) office during regular business hours by calling (618)235-2700 ext. 5558.
