Your 2019–2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, SWIC is required to compare your FAFSA with the information on this form and with any other required documents. If there are differences, your FAFSA information may need to be corrected. **You must complete and sign this form, attach any required documents, and submit the form and other required documents to the financial aid office at SWIC.** If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.
