\*\*BUS 205 is identical to MATH 191. The syllabus is prepared and the course is staffed by the Math Department. Refer to their assessment results.

\*\*\*ECON 115 is a survey of economics intended for students in career programs who need only one economics course, or for students in a transfer program who want one course in economics to satisfy a gen. ed. social science requirement. Students who intend to transfer to a 4 year college and major in a business-related field are expected to take the ECON 201 and ECON 202 sequence instead of ECON 115.
