

## Nurse Assistant Mission Statement and Educational Goals

<b>Contact Person(s):</b> Stephanie Reid	<b>Date Submitted:</b> 4/30/2019
<b>Division:</b> HS & HS	<b>Discipline:</b> Nurse Assistant

### Mission Statement

Our mission is to provide the health care community with knowledgeable and skilled nursing assistants who recognize that the patient/resident/client is a unique individual with needs and rights deserving of holistic care. Through a system that assesses the performance and progress of each student during the pursuit of his/her professional development, the program ensures that its students learn what the profession requires.

### Educational Goals

This Discipline/Program at Southwestern Illinois College will graduate students that can:

1. Demonstrate knowledge of the factual basis underlying the NA performance skills.

Criteria: Accomplishment of cumulative theory grade of 78% . Accomplishment of 78% on final course exam.

2. Perform satisfactorily simple, basic nursing functions under the supervision of a nurse

Criteria: Performance of NA skills with a final rating of 'satisfactory' in lab, as listed on the skills eval sheets. Achievement of a 'satisfactory' rating in clinical, as listed on the clinical eval sheet.

3. Act in accordance with the rules and standards for right conduct and practice in the workplace.

Criteria : Achievement of a satisfactory rating in clinical.

4. Exhibit affective qualities of empathy, tact, and emotional control in class and clinical

Criteria: Achievement of satisfactory rating on class and clinical evals.
