

## **COLLEGE ACTIVITIES**

### **MISSION STATEMENT**

The mission of College Activities is to foster a dynamic environment in which students are the central focus and are provided the opportunity to become engaged throughout their SWIC experience. College Activities strives to enrich a student's development in the areas of social engagement, community responsibility, diversity, leadership, and personal and professional development through a broad range of programs and services. College Activities is committed to assessing student learning.

### **PROGRAM GOALS**

1. The student shall be able to experience diversity and social awareness.
2. The student shall be able to engage socially with their fellow students.
3. The student shall be able to participate in activities and service projects to benefit the communities we serve.
4. The student shall be able to learn the importance of taking initiative, being responsible and being accountable to both their supervisors and fellow students.
5. The student shall be able to set goals, plan and organize events based on the college mission.
6. The student shall be able to build their own engagement experiences.
7. The student shall be able to learn and demonstrate leadership, teambuilding and collaborative skills.
8. Students will learn office policies and procedures essential to future professional development.
