December 29, 2015

To the Citizens of Community College District No. 522:

We hereby submit the Comprehensive Annual Financial Report (CAFR) of Southwestern Illinois College, Community College District No. 522 (District), Belleville, Illinois, as of and for the fiscal years ended June 30, 2015 and 2014.

Responsibility for both the accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests with the District. We believe the data to be accurate in all material respects and to be reported in a manner designed to present fairly the financial position and results of operations of the District. All disclosures necessary to enable the reader to gain an understanding of the District's financial activities have been included.

FINANCIAL STATEMENTS

This letter of transmittal should be read in conjunction with Management's Discussion and Analysis, which focuses on current activities, accounting changes, and currently known facts.

The District is required to undergo an annual single audit in conformity with the provisions of the Single Audit Act Amendments of 1996 and the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Information related to this single audit, including the schedule of expenditures of federal awards, findings, and recommendations, as well as the independent auditor's reports on the compliance and on the internal control over financial reporting based on an audit of financial statements performed in accordance with government auditing standards, and the independent auditor's report on compliance with requirements applicable to each major program, internal control over compliance in accordance with OMB Circular A-133, are included in the federal financial compliance section.

PHILOSOPHY, MISSION AND GOALS

Southwestern Illinois College is a comprehensive community college operating in accordance with the provisions of the Illinois Public Community College Act, is recognized by the Illinois Community College Board (ICCB), and is an educational institution committed to providing the best learning opportunities. We are a starting point for higher education, a bridge to developing career skills and a pathway to personal achievement.

As our mission states, "Southwestern Illinois College upholds the dignity and worth of all people and believes that learning is a lifelong process which enhances the quality of life. The college provides for individual growth through educational excellence and active partnerships with students and the community." The District fulfills its mission via the following institutional values:

Our Values

As a people, as a learning community, and as an institution we will reflect and practice those values integral to higher education and to the well-being of our region:

Student Success

At Southwestern, we value student success as the "ultimate measure of our effectiveness." Over 721 students completed transfer degrees, which ranks Southwestern seventh in the Illinois Community College System. Our students often perform as well as or better than the native students at the major four-year institutions where they transfer.

Respect for People

We will treat each other with dignity, fairness, and understanding; value open discussion; and respect the ideas and opinions of others.

Value of Education

We will promote the value of education throughout our institution and our communities by providing quality programs and services that empower learners to achieve their goals, strengthen their self-esteem and independence, and provide the means for improving their economic well-being and quality of life.

Integrity

We will strive to ensure that our actions are in accord with our standards, that we are honest with one another, and that we follow through on our promises and obligations.

Excellence

We will at all times do our best to merit recognition as a premier community college and will recognize the excellence that is attained by our faculty, staff, and students.

Fairness

We will practice fairness by establishing clear standards and expectations for students, faculty, and staff and ensuring that those standards are applied uniformly.

Lifelong Learning

We believe that education does not end when a degree is earned and that not all learners seek a degree. We will therefore strive to create a learning community that is open-ended and committed to providing opportunities for continuous learning.

Affordability

We will provide a high-value, affordable education that does not compromise on quality. We will make a collective effort to be value-minded stewards using resources with wisdom and promoting appropriate community partnerships.

Accountability

We are accountable for our performance. We will establish high standards of academic, institutional, and personal professional practice and will commit ourselves to the regular evaluation of our effectiveness and to a regular program of development and self-improvement.

HISTORY

Founded in 1946, Southwestern Illinois College was originally known as Belleville Junior College and operated under the jurisdiction of Belleville Township High School District 201. That year, the institution enrolled 169 students for its first fall class, more than 60 percent of whom were young veterans of World War II. The Illinois General Assembly passed the Junior College Act in 1965, and in 1966, area voters approved a referendum establishing the Class I Belleville Junior College District 522. Construction of the first phase of the Belleville Campus was completed in 1971. The Granite City Campus building was purchased from the Granite City School District in 1985. A community effort led to the construction of the Red Bud Campus in 1985. The campus building and property were deeded officially to the college in 1997.

On January 1, 2000, the college's name changed to Southwestern Illinois College, a name that represents the region we serve.

ACCREDITATION HISTORY

Southwestern Illinois College is accredited by the Higher Learning Commission. The College has held this accreditation since 1961. Southwestern is a member institution of the Academic Quality Improvement Program (AQIP) sponsored by the Commission. This affiliation extends our accreditation through the 2015-2016 academic year. The AQIP process focuses on continuous quality improvement and enables Southwestern to meet the Higher Learning Commission's accreditation standards through a "systems" approach to quality improvement.

ENROLLMENT

During fiscal year 2014, the unduplicated student headcount was 20,734. The unduplicated student headcount for fiscal year 2015 was 19,845. This drop in enrollment mirrors regional and national trends at the community college level. While the college continues to experience a decrease in the number of its returning students from the previous fiscal year, it is also experiencing a slight decline in its new student population. The college is currently experiencing a loss of enrollment from its returning students due to higher numbers of degrees and certificates awarded during the previous two years. A recession normally brings about significant increases in community college enrollments. The nature of today's economy, the loss of state funding for several grant and/or financial aid programs, and stricter federal financial aid regulations may still be keeping some students from enrolling. Even though face-to-face enrollment has fallen over the past two years, dual credit courses taught at the district's high schools and online course deliveries throughout the district have enjoyed significant enrollment increases.

ECONOMIC CONDITION AND OUTLOOK

The District is the eleventh largest community college district in the State of Illinois. The District includes all or parts of eight counties covering 2,100 square miles, and operates campuses in Belleville, Granite City, and Red Bud, plus off-campus sites in more than 20 communities; Programs and Services for Older Persons; and Selsius [the Center for Training Innovations]. The District includes all or portions of the following eight counties: Bond, Madison, Monroe, Montgomery, Perry, Randolph, St. Clair, and Washington. SWIC ranks eighth in terms of district population among the Illinois community colleges.

During the fiscal year ended June 30, 2015, the District enrolled approximately 24,000 credit students. The most recent SWIC 2014 Illinois Peer Comparisons indicates that we are 7th in FTE and 5th in degree/certificate completions.

Southwestern Illinois College is one of the largest employers in St. Clair and Madison Counties (the two largest counties in the District), with approximately 160 full-time and more than 800 adjunct and part-time faculty and over 1,300 full and part-time staff employed. While the District includes a military air base, several large hospitals and medical offices, it is made up primarily of growing bedroom communities, office buildings, regional and local shopping areas and a small amount of light manufacturing.

Unemployment rates in Southwestern Illinois have decreased from 7.0% in 2014 to 5.5% in 2015.

The population of the SWIC Economic Region has grown by just 3% since 2004, in line with the population growth that has occurred in Illinois, yet far below the United States as a whole (8.9%) over the same period. Over the next ten years, population growth in the SWIC Economic Region is projected to remain fairly flat; growing by only an additional 1.6% between 2014 and 2024, also in line with the state's population growth, but below the nation's expected 4.5% growth over the same period.

MAJOR COLLEGE INITIATIVES

AQIP

The District continues as an accredited member of the Academic Quality Improvement Program (AQIP) of the Higher Learning Commission (HLC). Several significant events, attributed to AQIP and/or Strategic Planning, occurred during fiscal year 2014-2015:

Several AQIP "Action Projects" were active during the year and resulted in enhancements to the student experience as well as improvements in college operations. One project focused on improving business processes related to enrollment, advising/counseling, and retention to improve the completion of college certificates, degrees, and transfer and to enhance student success. Another project that began last year and is still in progress is devoted to student financial literacy and the development of a program designed to assist students in making appropriate financial decisions to fund their education.

In September 2014, a seven-member team representing faculty, administration, and the Board of Trustees attended the AQIP Strategy Forum. An outcome of this activity was the identification of a new Action Project devoted to developing a Knowledge Management Framework for the institution. This framework will enhance the institution's ability to make informed decisions, assist in the allocation of resources, and align institutional planning with operational efforts.

Southwestern makes very effective use of its accreditation under AQIP. The processes and products of this affiliation are driving the institution's commitment to continuous quality improvement and have resulted in tangible evidence of self-improvement. AQIP has effectively influenced with our strategic planning system—materially strengthening each process. Finally, the institution's demonstrated progress in its continuous improvement system and its future plans attest to its continuing commitment.

Facilities Planning and Sustainability

Southwestern Illinois College continues its ongoing commitment to the community and environmental stewardship. Regular review of the District master plan allows for the development and implementation of both short-range and long-range goals to best address needs of students, faculty, staff, and guests. Improvements to facilities, building infrastructure, and people oriented processes provide an attractive, safe, reliable, and clean environment in support of the educational Mission and operation of the facilities in a cost-effective and sustainable manner.

Newly completed renovations in the Information Sciences Building at the Belleville Campus highlight the value placed on students and improved customer service. Financial Aid and Student Employment Services revitalized their commitment to student service, opening up the reception area with personal greeting, improved sightlines, and enhanced access for students. The area is now more welcoming and conducive for both self-service and convenient one-on-one customer care through an improved check-in process. Both the Counseling and the Disability and Access Offices, also newly renovated, provide improved customer service and expanded services for students needing assistance with selecting their educational pathway and other needs. All physical renovations included new paint, low-maintenance carpet and the installation of LED lighting – reducing energy usage, energy costs and lowering the overall carbon footprint of the building.

The District completed two significant revitalization projects at the Sam Wolf Granite City Campus. Most significant was the work involved renovating numerous restrooms throughout the complex to ensure that all the areas accommodate accessible restroom stalls and sinks in meeting ADA standards. The project also included the installation of wall tile and resinous floor systems that improve the tactile surface and reduce maintenance needs. Roof renovations were also

completed, including the full replacement of a roof that had reached the end of its effective life and became costly to repair, and the application of an architectural roof coating to a significantly large roof in order to extend the life of the roof and address various needed repairs. Both systems are considered white roofs – each reducing the energy consumption needed to cool the areas during the summer by reflecting solar energy.

With the completion of the shared-use bike path and the bridges that span Greenmount and Carlyle, the Belleville Campus has realized an increase in the use of the pedestrian and bike trail. The increased use has provided greater exposure to the campus and improved its connection to the community as it has also hosted numerous biking and walking events. Similarly, the Intramural Gym continues to be a destination for many community groups, local teams, and community fundraising events.

As part of our continuous improvement process, the Physical Plant staff continues to work as a team for improving campus buildings and grounds within the District. Parking lot maintenance and repairs are planned improvements that occur annually as part of the Facilities Master Plan. Conversion of parking lot lighting to LED fixtures is slated for the near future in order to reduce energy costs and reduce maintenance. Other sustainable initiatives include improvements to our recycling program, replacement of fluorescent lights with LED lights and continued use of green cleaning methods in order to reduce waste.

Student Success

At Southwestern, we value student success as the “ultimate measure of our effectiveness.” During FY 2015, approximately 721 students completed transfer degrees, which ranks Southwestern seventh in the Illinois Community College System. Our students often perform as well as or better than the native students at the major four-year institutions where they transfer.

SWIC’s students completed 2,335 associate of applied science degrees and occupational certificates during fiscal year 2015. The College currently offers approximately 60 different associate of applied science degrees and more than 85 occupational certificates meeting the needs of local and regional employers.

Success Centers, located at each of the three SWIC campuses and at the ESLCCC, offer tutoring and other academic support programs to supplement classroom instruction and to enhance student learning. In FY 2015, the Success Centers district-wide had 94,222 visits by 8,170 different students. About 36% of the student visits were for tutoring. On average 69% of the students who participate in tutoring successfully complete the class(es) for which they receive tutoring and 71% enroll in classes the next semester. The Success Centers, which are one of the key academic support programs at SWIC, help students to succeed in their classes, to be retained to the next semester, and ultimately to reach their educational goals.

Instructional Delivery Systems

Southwestern offers a wide range of educational opportunities through a variety of delivery methods. Courses within our degree and certificate programs are offered in full-semester and compressed-delivery formats. While face-to-face instruction remains the most common delivery method, the use of technology and support from the Faculty Technology department has increased our online learning opportunities. The use of online homework systems and e-books has become more prevalent in recent years and many instructors are making use of online course components within their face-to-face classes. The 447 online course offerings in fiscal year 2015 represent a 1.11% decrease over fiscal year 2014. Though the number of courses decreased, the number of online student enrollments grew to 8,704 in fiscal year 2015. This represents a 3.42% increase over the 2014 fiscal year.

During FY 2015, Adult Education was the recipient of 21 grants totaling \$3,076,157. The program served 2,936 adult learners in the areas of Adult Basic Education, Adult Secondary Education, English as a Second Language, and Vocational Studies. 91 students successfully earned their high school equivalency credential, despite national changes that included implementation of computer-based testing, release of a new version of the standardized test, and a \$70.00 increase in the testing fees by the state’s testing provider, GED® Testing Services. Education services were expanded by the department to address the new mission of Adult Education under the new WIOA law. The new law emphasizes the importance of adult education providers assisting adult learners in their transition to post-secondary education and/or

employment. Consequently, three new programs were implemented to bridge adult education services to career and technical programs at the college; a new standardized curriculum was developed that includes career and workplace readiness instruction; and 159 students were offered mentorship and/or transitional services through the department's Transition to College Program. These service enhancements resulted in 570 students gaining and/or maintaining employment and 85 students completing their vocational program during the fiscal year.

Selsius™ Corporate and Career Training delivered performance improvement and employee development programs to 2,260 employees, serving 120 companies in our district, in FY 2015. Selsius™ provided consulting, assessment, and training services in leadership development, business communications, desktop applications, networking, welding, rigging, and OSHA safety. In partnership with businesses, Selsius™ developed industrial skills assessments for welding, mechanical, and electrical skills. Selsius™ also provided test proctoring services for district businesses

Information Systems

- The core modules of the Enterprise Resource System, PeopleSoft, continue to be patched and upgraded as needed. The current production environment is utilizing the following version of modules and tools.

Module	Module Version	PeopleTools
FN/SCM	9.20.000	8.53.07
HR	9.10.000	8.53.03
HC	9.00.000	8.53.03
Portal	9.10.000	8.54.09

- All application servers were upgraded from Windows 2003 to Windows 2008 or 2012.
- Updated digital signage solution to latest hardware and software versions districtwide.

Improvements in Risk Management, Security, Business Processing and Business Continuity

- The Board of Trustees approved a New Emergency Operations Basic Plan.
- A new Incident Response Plan was created to be compliant with new PCI compliance requirements.

Major Institutional Initiatives

- Implemented a new ubiquitous Wi-Fi solution across all district campuses and facilities.
- Upgraded the AVAYA phone system to Version 6.3.
- SharePoint was upgraded to 2013 to support institutional knowledge management initiative.

FINANCIAL INFORMATION

The District maintains its accounts and prepares its financial statements in accordance with accounting principles generally accepted in the United States of America as set forth by the Governmental and Financial Accounting Standards Boards, the National Association of College and University Business Officers and the Illinois Community College Board (ICCB). The ICCB requires accounting by funds in order that limitations and restrictions on resources can be easily accounted for.

The financial records of the District are maintained on the accrual basis of accounting whereby all revenues are recorded when earned and all expenses are recorded when they have been reduced to a legal obligation to pay. The notes to the financial statements expand and explain the financial statements and the accounting principles applied. The District's financial statements have been audited by the independent public accountants, CliftonLarsonAllen LLP. Their report is included as part of the financial presentation.

The Business Office, under the direction of the Vice President for Administrative Services, is responsible for directing the District's fiscal services, administrative services, auxiliary services, public safety, and physical plant operations. Managing resources in a high-growth environment, with strict attention to dynamic facility, technology, and staffing requirements has been the primary goal of the division. Financial resources and their management have also been strongly influenced by the Board of Trustees. The Board's financial policies, directives, and decisions have set the tone for fiscal prudence and accountability.

Management of the District is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the District are protected from loss, theft, or misuse, and to ensure that transactions are properly recorded to allow for the preparation of financial statements in conformity with generally accepted accounting principles. The internal control structure is designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of the costs and benefits requires estimates and judgments by the District.

Each year, tests are performed by the District's independent auditors to determine the adequacy of the internal control structure, including funds related to federal financial assistance programs, as well as to determine whether the District has complied with all applicable laws and regulations. For the fiscal year ended June 30, 2015, the tests performed by the auditors indicated that there were no noted instances of material weaknesses in the internal control structure and no noted violations of applicable laws or regulations.

Budget Development and Management

The annual budget process is, essentially, ongoing throughout the year. Staff compile revenue and expenditure projections for the following fiscal year in the fall (October/November). These early projections provide management with the budget estimates necessary to make a decision regarding the local tax levy and the extent of local support required to provide effective operations. In February, the deans, directors and other budget managers are provided with budget reports providing historical and current expenditure data for each of their budget lines. Budget requests are submitted in May while the Business Office continues to refine revenue projections. A tentative budget is presented to the Board and adopted in August. The Board then formally adopts the budget in September after a public budget hearing. Budgets are adopted for all District funds.

Staff have developed a strategic planning model for long range operational budgeting. The revenue and expenditure-based assumptions the model is built upon have periodically been reviewed with the Board of Trustees and are regularly updated by staff. Integrated with this model are the more detailed projections of salaries and benefits, which have been two of the District's most critical expenditure categories. The model clearly indicates that financial resources, combined with prudent management, will be adequate to provide for future operational growth.

Balanced and modified zero-based budgeting, as well as an annual commitment to accumulate reserves for building and furnishing the District, have been the primary budgeting practices of the District. The partial use of reserves is being practiced for the next year to maintain operations and student service during times of delayed state funding and possibly even state funding reductions. Additional budget initiatives are considered through a supplemental budget process, depending on available funds, that is reviewed and agreed to at the Presidential staff level and submitted to the Board of Trustees. This process also includes a dynamic dimension that considers changes during the course of the budget year as a result of changes in revenue projections to make adjustments consistent with established priorities.

A more specific long-range analysis of District funding sources and uses through fiscal year 2018 has also been developed to plan for District costs not provided for in the State-funded project. It also aids in the analyses required to evaluate financing alternatives and serves as an outline of the anticipated funding requirements by year. This planning model also demonstrates the attention to long-range planning and budgeting, as well as the institution's projected financial abilities for raising capital.

Budgetary Controls

The District maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual budget adopted by the District's Board of Trustees. The level of budgetary control (that is, the level at which expenditures cannot exceed the budgeted amount) is established for each fund at the line-item level. The District also maintains an encumbrance accounting system as one technique of accomplishing budgetary control. Encumbered amounts lapse at year-end. However, encumbrances generally are re-authorized as part of the following year's budget.

There are several other key controls that provide overall management of the budget. Budget managers have on-line access to budgetary management reports that summarize the budget, expenditures and encumbrances for their areas. Monthly financial information is also presented to the Board of Trustees, which include listings of all bills paid during the month.

DEBT ADMINISTRATION

The District had general bonded debt of \$17,110,000 as of June 30, 2015. Other long-term debt consisted of a capital lease payable of \$886,294 and unamortized bond premium on the 2007 Series Bonds of \$225,377.

According to State of Illinois statute, the District is subject to a limit on bonded debt equal to 2.875% of assessed valuation. The 2013 assessed valuation of \$6,447,133,678 results in a legal debt limit of \$185,355,093 for fiscal year 2015. Other useful indicators of debt position are the ratios of bonded debt, net of debt service funds, to assessed valuation and debt per capita (residents of the District). For the fiscal years 2011-2015, these indicators compare as follows:

Fiscal Year	Bonded Debt, Net	Debt/EAV	Debt Per Capita
2015	\$ 17,063,565	.27%	\$34.81
2014	\$ 20,525,193	.31%	\$41.87
2013	\$ 23,802,128	.36%	\$48.56
2012	\$ 27,131,647	.40%	\$55.35
2011	\$ 29,169,079	.43%	\$76.47

OTHER INFORMATION

Independent Audit

The Illinois Public Community College Act requires an annual audit by independent certified public accountants. The College's Board of Trustees selected the public accounting firm of CliftonLarsonAllen LLP. The requirement has been satisfied and the auditor's opinion is unmodified. The auditor's report on the financial statements and schedules is included in the financial section of this report.

Awards for Financial Reporting

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Southwestern Illinois College for its CAFR for the fiscal year ended June 30, 2014. The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized CAFR whose contents conform to program standards. Such CAFR must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. The District has received the Certificate of Achievement annually since 2004. We believe that our current report for the fiscal year ended June 30, 2015 continues to meet the stringent program requirements for the Certificate of Achievement in Excellence in Financial Reporting. The report is being submitted to GFOA to determine its eligibility for another certificate.

Contact Information

This financial report has been prepared in the spirit of full disclosure to provide the reader with an overview of the District's financial operations. If the reader has questions or would like additional information about the District, please direct the request to the Vice President for Administrative Services at 2500 Carlyle Avenue, Belleville, Illinois, 62221.

ACKNOWLEDGMENTS

We thank the Board of Trustees for their continued interest and support in planning and conducting the financial operations of the District in a highly responsible and accountable manner and with fiscal integrity. We also thank the staff of the Business Office and our external auditors, CliftonLarsonAllen LLP, for their contributions and assistance in preparing this report.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Southwestern Illinois College
Community College District #522
Belleville, Illinois

Report on the Financial Statements

We have audited the accompanying basic financial statements of Southwestern Illinois Community College, Community College District #522 (the District), and its discretely presented component unit as of and for the years ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the entity's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on the basic financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the District's component unit were not audited in accordance with *Government Auditing Standards*.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Southwestern Illinois Community College, Community College District #522, and its discretely presented component unit as of June 30, 2015 and 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

As discussed in Note 1 to the financial statements, in 2015 the District adopted new accounting guidance, GASB Statement No. 68, Accounting and Reporting for Pensions and as amended, GASB Statement No. 71, Pension Transition for Contributions Made Subsequent to the Measurement Date. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The Schedule of Changes in Assets and Liabilities – Fiduciary Fund on page 58, the Uniform Financial Statements on pages 95 through 100, the Combining Schedules on pages 103 through 107, and the Internal Service Fund financial statements on pages 108 through 109 are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards on pages 131 through 132, as required by the Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is also presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Changes in Assets and Liabilities – Fiduciary Fund, Uniform Financial Statements, the Combining Schedules, the Internal Service Fund financial statements, and the Schedule of Expenditures of Federal Awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic

Board of Trustees
Southwestern Illinois College
Community College District #522

Financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 29, 2015, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Management's Discussion and Analysis

This section of Southwestern Illinois College, Community College District #522's, (District), Comprehensive Annual Financial Report presents management's discussion and analysis of the District's financial activity during the fiscal years ended June 30, 2015 and 2014. Since this management's discussion and analysis is designed to focus on current activities, resulting changes and currently known facts, please read it in conjunction with the transmittal letter (pages iv-xii), the District's basic financial statements (pages 15-22) and the footnotes (pages 23-55). Responsibility for the completeness and fairness of this information rests with the District.

Using This Annual Report

The financial statement focuses on the District as a whole. The District's basic financial statements (pages 15-22) are designed to emulate corporate presentation models whereby all District activities are consolidated into one total. The focus of the Statement of Net Position is designed to reflect the District's financial position at a certain time. This statement combines and consolidates current financial resources (short-term spendable resources) with capital assets. The Statement of Revenues, Expenses, and Changes in Net Position focuses on both the gross costs and the net costs of District activities, which are supported mainly by property taxes, student tuition and fees, and by other governmental revenues. This approach is intended to summarize and simplify the user's analysis of the cost of various District services to students and the public.

Financial Highlights

Assets and deferred outflows exceeded liabilities and deferred inflows (net position) by \$106.4 million as of June 30, 2015. Of this amount, \$64.8 million is the net investment in capital assets, \$4.4 million is restricted, and \$37.2 million is unrestricted and available to meet current and future obligations of the District.

Operating revenue includes activities that have the characteristics of exchange transactions, such as student tuition and fees (net of scholarship discounts and allowances) and sales and services of auxiliary enterprises. Non-operating revenues include activities that have the characteristics of non-exchange transactions, such as (1) local property taxes, (2) state appropriations, (3) most federal, state, and local grants and contracts, and federal appropriations and (4) gifts and contributions. Operating expenses are those expenses for the purpose of providing education and operational activities of the District. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenditures. The District's operating expenses are funded primarily through non-operating revenue. Non-operating revenue, net of non-operating expenses, for the year ended June 30, 2015, was \$87.6 million. State grants and contracts represented 21% of the total, local property taxes 30%, and federal grants and contracts 22%. Student tuition and fees comprised approximately 85% of the total operating revenues.

Total operating expenses for the year ended June 30, 2015, were \$85.2 million, excluding SURS on-behalf payments. Instruction, academic support, student services and operation and maintenance of plant represented 61% of total operating expenses, while institutional expenses were 33%, excluding SURS on-behalf payments. Depreciation and amortization, which was \$5.5 million, represented 6% of total operating expenses.

Financial Analysis of the District as a Whole

Net Position As of June 30, (in millions)

	2015	2014	Increase (Decrease) 2015-2014	2013	Increase (Decrease) 2014-2013
Current assets	\$ 105.5	\$ 104.8	\$ 0.7	\$ 103.4	\$ 1.4
Non-current assets					
Capital assets, net of depreciation	78.8	82.3	(3.5)	81.6	0.7
Deferred outflows	0.3	-	0.3	-	-
Total assets and deferred outflows	184.6	187.1	(2.5)	185.0	2.1
Current liabilities	21.5	21.4	0.1	19.9	1.5
Non-current liabilities	15.3	18.8	(3.5)	22.5	(3.7)
Deferred inflows	41.4	39.3	2.1	38.5	0.8
Total liabilities and Deferred inflows	78.2	79.5	(1.3)	80.9	(1.4)
Net position					
Investment in capital assets	64.8	67.3	(2.5)	65.4	1.9
Unrestricted	37.2	35.0	2.2	33.0	2.0
Restricted	4.4	5.3	(0.9)	5.7	(0.4)
Total net position	\$ 106.4	\$ 107.6	\$ (1.2)	\$ 104.1	\$ 3.5
Total revenue	\$ 103.3	\$ 107.5	\$ (4.2)	\$ 101.4	\$ 6.1
Total expenses	\$ 104.8	\$ 104.0	\$ 0.8	\$ 102.7	\$ 1.3

This schedule is prepared from the District's statement of net position (page 15) which is presented on an accrual basis of accounting whereby assets are capitalized and depreciated.

As of June 30, 2015, the District's net position was \$106.4 million, of which 61% represents investment in capital assets, 4% represents resources that are available for the operation and support of the educational program, but are restricted as to their use by outside agencies and the remaining 35% represents unrestricted resources. The District's current assets totaled \$105.5 million, of which 46% represents cash and cash equivalents and 37% represents property taxes receivable. Total liabilities and deferred inflows of resources were \$78.2 million, of which 53% were deferred inflows of property taxes, 27% was current liabilities, and 20% was non-current liabilities.

Fiscal Year 2015 Compared to 2014

Total assets were \$185 million in the current year and were consistent with the prior year. Current assets increased slightly over the prior year due to an increase in property tax receivables. Non-current assets decreased slightly over the prior year due to a decrease in depreciable property, building, and equipment, net.

Non-Current liabilities decreased in comparison with the prior year due to the regular payment of the District's bonds. Deferred inflows increased slightly due to the increase in the subsequent year's property taxes.

Fiscal Year 2014 Compared to 2013

Total assets were \$187 million in the current year and were consistent with the prior year. Current assets increased slightly over the prior year due to an increase in cash and cash equivalents.

Non-Current liabilities decreased in comparison with the prior year due to the regular payment of the District's bonds.

Net Position

	<u>2015</u>	<u>2014</u>	<u>Increase (Decrease) 2015-2014</u>	<u>2013</u>	<u>Increase (Decrease) 2014-2013</u>
Net position					
Net invested in capital assets, net of related debt	\$ 64.8	\$ 67.3	\$ (2.5)	\$ 65.4	\$ 1.9
Unrestricted	37.2	35.0	2.2	33.0	2.0
Restricted	<u>4.4</u>	<u>5.3</u>	<u>(0.9)</u>	<u>5.7</u>	<u>(0.4)</u>
Total	<u>\$ 106.4</u>	<u>\$ 107.6</u>	<u>\$ (1.2)</u>	<u>\$ 104.1</u>	<u>\$ 3.5</u>

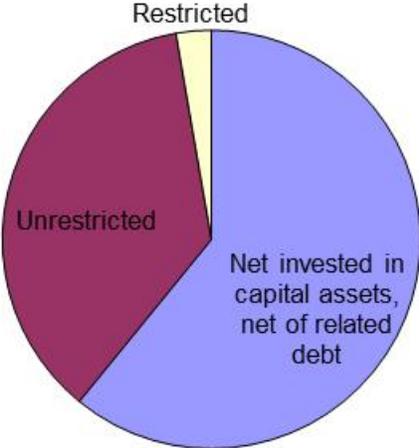

Fiscal Year 2015 Compared to 2014

The decrease in net invested in capital assets is due primarily to normal depreciation of capital assets.

Fiscal Year 2014 Compared to 2013

The increase in net invested in capital assets is due primarily to the Multi-modal project, the Schmidt Art Center Addition, and the completion costs associated with various other construction projects.

The following is a graph illustration of net position:

Fiscal Year 2015 Compared to 2014

Non-operating revenue decreased by \$3.3 million. This was mainly due to a decrease in State grants and contracts and other non-operating revenues. State grants and contracts decreased from the prior year due to the timing of DCEO funds received by IGEN, Illinois Green Economy Network. The District noted a decrease in other non-operating revenue due to the completion of the Multi-Modal Transportation project, which included the District receiving \$4.3 million in capital improvements located on the Belleville campus in the prior year. The decrease in Other Non-Operating revenue was offset by an increase in the SURS contributions provided by the state of approximately \$3 million.

Fiscal Year 2014 Compared to 2013

Non-operating revenue increased by \$5.9 million. This was mainly due to the \$5.1 million increase in Other non-operating revenue. This increase was primarily related to the completion of the Multi-modal transportation project between the State of Illinois Department of Transportation and the Bi-State Development Agency. Upon completion of the project, the District received \$4.3 million in capital improvements located on the Belleville campus from the Bi-State Development Agency.

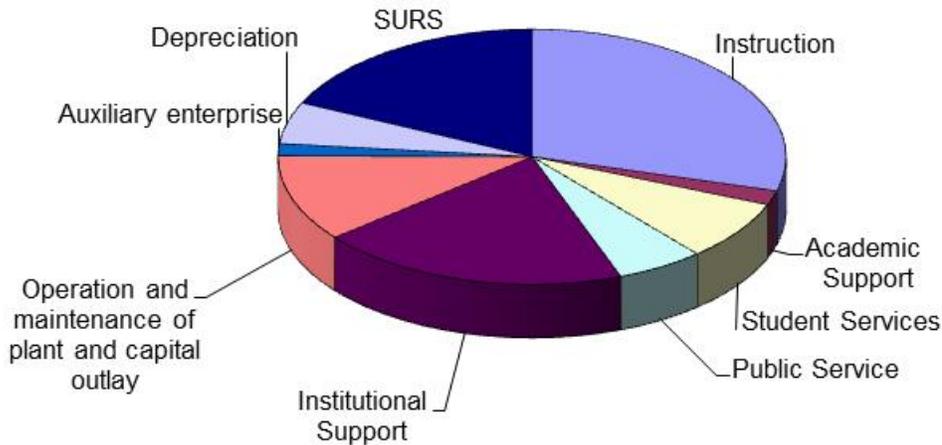

The following is a graphic illustration of revenues by source:

Financial aid	28.8	37.4	(8.6)	30.7	6.7
Other	3.3	3.3	-	3.4	(0.1)
Total	<u>\$105.9</u>	<u>\$113.7</u>	<u>\$ (7.8)</u>	<u>\$107.3</u>	<u>\$ 6.4</u>

The following is a graphic illustration of operating expenses by object (modified accrual):

Note: Current and Restricted funds include Education, Operations and Maintenance, Auxiliary Enterprises, Restricted Purposes, Audit and Liability, Protection and Settlement.

Fiscal Year 2015 Compared to 2014

The expenses in the Current Unrestricted and Restricted funds decreased \$9 million due to the decrease of Financial Aid expenses of \$8.5 million, which was due to a decrease in financial aid awarded to students. Salaries decreased by approximately \$2.6 million due to attrition. The decreases were offset by an increase in contractual services of \$1.3 million and an increase in utilities expenses of \$0.4 million.

Fiscal Year 2014 Compared to 2013

The expenses in the Current Unrestricted and Restricted funds increased \$6 million . Employee benefits increased \$0.6 million due to rising healthcare costs. General material and supplies expenses increased \$0.4 million mainly due to an increase in supplies purchased in the Restricted funds. Capital outlay expenses decreased \$1.5 million, primarily due to a decrease of \$0.8 million in instructional equipment purchased with Restricted funds and a decrease of \$0.5 million in renovation costs in the Operation and Maintenance fund. Financial Aid expenses increased \$6.7 million due to an increase in financial aid awarded to students.

Capital Assets
For the Years Ended June 30,
(in millions)

	<u>2015</u>	<u>2014</u>	Increase (Decrease) <u>2015-2014</u>	<u>2013</u>	Increase (Decrease) <u>2014-2013</u>
Capital Assets					
Land	\$ 6.5	\$ 6.5	\$ -	\$ 6.5	\$ -
Construction in progress	0.7	0.8	(0.1)	0.7	0.1
Buildings	53.8	53.8	-	53.8	-
Building improvements	46.9	46.9	-	46.3	0.6
Land improvements	16.5	16.5	-	11.8	4.7
Equipment	<u>18.7</u>	<u>16.8</u>	<u>1.9</u>	<u>17.4</u>	<u>(0.6)</u>
Total	143.1	141.3	1.8	136.5	4.8
Less Accumulated Depreciation	<u>(64.3)</u>	<u>(59.0)</u>	<u>(5.3)</u>	<u>(54.9)</u>	<u>(4.1)</u>
Net Capital Assets	<u>\$ 78.8</u>	<u>\$ 82.3</u>	<u>\$ (3.5)</u>	<u>\$ 81.6</u>	<u>\$ 0.7</u>

Additional information regarding Capital Assets can be found in Note 5 of the Financial Statements.

Fiscal Year 2015 Compared to 2014

The slight increase in capital assets is due to the capitalization of the Solar Array Project, and the project to add a water meter on the Belleville campus. The remaining increase was related to the addition of several copier leases.

Fiscal Year 2014 Compared to 2013

The increase in capital assets is primarily due to the capital improvements apportioned to the District as part of the Multi-modal project and due to the costs of completing the Schmidt Art Center addition.

Long-Term Debt

For the Years Ended June 30,
(in millions)

	<u>2015</u>	<u>2014</u>	Increase (Decrease) <u>2015-2014</u>	<u>2013</u>	Increase (Decrease) <u>2014-2013</u>
Long-term debt					
Bonds and capital lease payable	<u>\$ 18.2</u>	<u>\$ 21.3</u>	<u>\$ (3.1)</u>	<u>\$ 24.6</u>	<u>\$ (3.3)</u>

The unused legal debt capacity of the District is approximately \$168 million, which represents 2.875% of the assessed valuation less the debt to be repaid by property taxes. Additional information regarding Long-Term Debt can be found in Note 6 of the Financial Statements.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1. Organization and Significant Accounting Policies

Organization:

Southwestern Illinois College (formerly Belleville Area College), Community College District #522 (District) is an Illinois community college. The District includes all or portions of eight counties in Southwestern Illinois. The District is governed by a Board of Trustees.

The financial statements are based on accounts prescribed or permitted by the Fiscal Management Manual of the Illinois Community College Board. The accounting policies of the District conform to accounting principles generally accepted in the United States of America, as set forth in Statement No. 35, *Basic Financial Statements and Management's Discussion and Analysis for Public Colleges and Universities*. The following is a summary of the more significant policies:

Financial reporting entity: The District is a unit of state and local government governed by a Board of Trustees (Board), which is elected by the public and has the exclusive responsibility and accountability for the decisions it makes. The District has the statutory authority to adopt its own budget, to levy taxes, and to issue bonded debt within certain dollar limits without the approval of another government and has the right to sue and be sued.

Accounting principles generally accepted in the United States of America require that the financial statements of the reporting entity include: (1) the primary government, (2) organizations for which the primary government is financially accountable, and (3) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board (GASB) has set forth criteria to be considered in determining financial accountability. These criteria include (1) the Board of Trustees of the District appointing a voting majority of an organization's governing body, (2) the ability of the District to impose its will on any organization, or (3) the potential for the Organization to provide specific benefits to, or impose specific financial burdens on, the District. Based on these criteria, the District is considered a primary government. GASB has also set forth criteria to be considered in determining the nature and significance of a relationship within the primary government. These criteria include: 1) the economic resources received or held by an organization are entirely or almost entirely for the direct benefit of the District, 2) the District is entitled to, or has the ability to otherwise access, a majority of the economic resources received or held by the organization, and 3) the economic resources received or held by an organization that the District is entitled to, or has the ability to otherwise access, are significant to the District.

As defined by generally accepted accounting principles established by the Governmental Accounting Standards Board (GASB), the financial reporting entity consists of the primary government, as well as its component unit, the Southwestern Illinois College Foundation (the Foundation).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1. Organization and Significant Accounting Policies (Continued)

The Foundation is a legally separate, tax-exempt component unit of the District. The Foundation acts primarily as a fund-raising organization to supplement the resources that are available to the District in support of its programs. Although the District does not control the timing or amount of receipts from the Foundation, the majority of resources, or income thereon, which the Foundation holds and invests are restricted to the activities of the District by the donors. Because these restricted resources held by the Foundation can only be used by, or for the benefit of, the District, the Foundation is considered a component unit of the District. The Foundation is reported in separate financial statements because of the difference in its reporting model, as further described below.

The Foundation is a private non-for-profit organization that reports its financial results under Financial Accounting Standards Board (FASB) Statements. Most significant to the Foundation's operations and reporting model are *Accounting for Contributions Received and Contributions Made, Financial Reporting for Not-for-Profit Organizations*. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. The Foundation's financial information has been discretely presented. No modifications have been made to the Foundation's financial information in the District's financial reporting entity for these differences, however significant note disclosures (see Note 6) to the Foundation's financial statements have been incorporated into the District's notes (See Note 16) to the financial statements.

Financial statements for the Foundation can be obtained by calling the Foundation at (618) 235-2700, ext. 5215.

Basis of accounting: Basis of accounting refers to when revenues received and expenses disbursed are recognized in the accounts and how they are reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

For financial reporting purposes, the District is considered a special-purpose government engaged only in business-type activities. Accordingly, the District's financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded when a liability is incurred. All significant intra-District transactions have been eliminated. Non-exchange transactions, in which the District receives value without directly giving equal value in return, include property taxes; federal, state, and local grants; state appropriations and other contributions. On an accrual basis, revenue from property taxes is recognized in the period for which the levy is intended to finance. Revenues from grants, state appropriations, and other contributions are recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when the use is first permitted, matching requirements in which the District must provide local resources to be used for a specified purpose and expenditure requirements in which the resources are provided to the District on a reimbursement basis.

The District has a fiduciary fund type which accounts for assets held by the District as an agent for the students, faculty, and other governmental units. These funds are custodial in nature and do not involve the measurement of the results of operations. These funds are considered agency funds.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1. Organization and Significant Accounting Policies (Continued)

Net position: The District's net position is classified as follows:

Net investment in capital assets – This represents the District's total investment in capital assets, net of accumulated depreciation and outstanding debt incurred to acquire, construct, or improve those assets.

Restricted net position – This includes resources that the District is legally or contractually obligated to spend in accordance with restrictions imposed by external third parties. When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources when they are needed.

Unrestricted – This includes resources derived from student tuition and fees, state appropriations, and sales and services of educational departments and auxiliary enterprises. These resources are used for transactions relating to the educational and general operations of the District and may be used at the discretion of the governing board to meet current expenses for any purpose.

Classification of revenues and expenses: Operating revenue includes activities that have the characteristics of exchange transactions, such as student tuition and fees and sales and services of auxiliary enterprise, net of scholarship discounts and allowances. Non-operating revenues include activities that have the characteristics of non-exchange transactions, such as (1) local property taxes, (2) state appropriations, (3) most federal, state, and local grants and contracts, and federal appropriations and (4) gifts and contributions. Operating expenses are those expenses for the purpose of providing education and operational activities of the District. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenditures.

Deferred Outflows of Resources: The District reports decreases in net position or fund equity that relate to future periods as deferred outflows of resources in a separate section of its statements of net position. Implementation of GASB Nos. 68 and 71 in 2015 resulted in pension contributions paid by the District in advance of \$327,910 being recorded as Deferred Outflow of Resources as of June 30, 2015.

Deferred Inflows of Resources: The District's financial statements report a separate section for deferred inflows of resources. This separate financial statement element reflects an increase in net position or fund equity that applies to a future period. The District will not recognize the related revenue until a future event occurs. The District has one type of item that occurs related to revenue recognition. This occurs because property tax receivables are recorded in the current year, but the revenue will be recorded in the subsequent year.

Use of estimates in preparing financial statements: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1. Organization and Significant Accounting Policies (Continued)

Federal Financial Assistance Programs: The District participates in federally funded Pell Grants, SEOG Grants, Federal Work-Study, Federal family education loans, Student Support Services and other educational programs. Federal programs are audited in accordance with the Single Audit Act Amendments of 1996, the U.S. Office of Management and Budget Revised Circular A-133 Audit of States, Local Governments and Non-Profit Organizations, and the Compliance Supplement.

Cash and cash equivalents: For purposes of reporting cash flows, the District considers all highly liquid investments purchased with a maturity of three months or less, and Illinois Funds to be cash equivalents. Investments are stated at fair value.

Restricted cash: Consists of capital project cash accounts with funds restricted for a specific project and cash accounts used to pay for self-insured health claims.

Investments: Investments in securities are reported at market value as determined by the major securities market.

Allowance for doubtful accounts: Management has reviewed the collectability of its ordinary receivables and has deemed that all are collectible. However, the District has set up an allowance for doubtful accounts relative to the student tuition receivable and for property taxes receivable.

Capital assets: Capital assets, which include property, plant, equipment, and infrastructure assets (i.e., roads, curbs, gutters, sidewalks, and similar items) are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Interest costs on construction in progress are capitalized when amounts are significant. During the fiscal year ended June 30, 2015, the College capitalized \$23,089 of interest. During the fiscal year ended June 30, 2014, the College capitalized \$42,224 of interest.

The costs of normal maintenance and repairs that do not add to the value of the assets or materially extend asset lives are not capitalized. Interest costs are capitalized on qualifying assets.

Capital assets are defined by the District as assets with estimated useful lives in excess of one year and initial individual costs in excess of \$5,000.

Depreciation is computed using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	25-45
Other structures and improvements	10-45
Equipment	5-10

The District does not capitalize or depreciate its art collections or collection of library books. These collections are unencumbered, held for public education, protected, and preserved. Any proceeds from sale of collections are insignificant.

Claims and judgments: Liability resulting from claims and judgments, if any, is recorded as the liability is incurred.

Summer school revenue and expenses: Summer session revenues and expenses are split between the two fiscal years, with appropriate amounts being recognized in the accounting period in which they are earned or incurred and become measurable.

Southwestern Illinois College
Community College District #522

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1. Organization and Significant Accounting Policies (Continued)

Scholarship discounts and allowances: Student tuition and fee revenues, and certain other revenues from students, are reported net of scholarship discounts and allowances in the statements of revenues, expenses, and changes in net position. Scholarship discounts and allowances are the difference between the stated charge for goods and services provided by the District, and the amount that is paid by students and/or third parties making payments on the student's behalf.

Subsequent Events: In preparing these financial statements, the District has evaluated events and transactions for potential recognition or disclosure through December 29, 2015, the date the financial statements were available to be issued.

Note 2. Cash and Cash Equivalents

A. Deposits

At June 30, 2015, the District's deposits had the following balance.

Cash and Cash Equivalents	\$ 48,729,535
Less: Amounts reclassified as investments	<u>(38,710,462)</u>
Carrying amounts of deposits	<u>\$ 10,019,073</u>

At June 30, 2014, the District's deposits had the following balance.

Cash and Cash Equivalents	\$ 49,938,330
Less: Amounts reclassified as investments	<u>(40,882,642)</u>
Carrying amounts of deposits	<u>\$ 9,055,688</u>

Total	<u>\$ 38,710,462</u>	<u>\$ 38,710,462</u>	<u>\$ -</u>	<u>\$ -</u>	

At June 30, 2014, the District's investment balances were as follows:

	Fair Market Value	Less Than 6 Months	6-12 Months	1-3 Years	Standard & Poor's Rating
Illinois Funds-MoneyMarket	\$ 15,291,665	\$ 15,291,665	\$ -	\$ -	AAAm
Illinois School District Liquid Asset Fund-MoneyMarket	2,449,428	2,449,428	-	-	Not Rated
Certificates of Deposit	-	-	-	-	Not Rated
Government Agencies	23,141,549	23,141,549	-	-	A-1+
Total	<u>\$ 40,882,642</u>	<u>\$ 40,882,642</u>	<u>\$ -</u>	<u>\$ -</u>	

Credit Risk

The Board of Trustees has authorized the District to invest funds in accordance with the Illinois Community College Act and the Investment of Public Funds Act. The District's investment policy is to apply the prudent person rule: Investments are made as a prudent person would be expected to act, with discretion and intelligence, to conform with legal requirements, seek reasonable income, preserve capital, maintain liquidity and, in general, avoid speculative investments.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014**

Note 2. Cash and Cash Equivalents (Continued)

Custodial Credit Risk

Custodial credit risk is the risk that in the event of bank failure, the District's deposits may not be returned to it. The District's investment policy allows that funds on deposit in excess of FDIC limits must be secured by some form of collateral, witnessed by a written agreement, and held at an independent, third party institution in the name of the District.

The District's collateralization policy is currently set at 105% of uninsured deposits. At June 30, 2015 and 2014, the District's deposits were not fully collateralized.

Concentration of Credit Risk

At June 30, 2015 and 2014, the District had greater than five percent of its overall portfolio invested in Illinois School District Liquid Asset Fund Plus Money Market. This is in accordance with the District's investment policy.

Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

The State Treasurer maintains the Illinois Funds Money Market at cost and fair value through daily adjustment in the interest earnings. The State Treasurer also maintains the average duration of the pool at less than 25 days. The fair value of the College's investment in the funds is the same as the value of the pool shares. The Pool is audited annually by an outside independent auditor and copies of the report are distributed to participants. The District's investments in the Illinois Funds are not required to be categorized because these are not securities. The relationship between the District and the investment agent is a direct contractual relationship and the investments are not supported by a transferable instrument that evidences ownership or creditorship.

All funds deposited in the pool are classified as investments even though some could be withdrawn on a day's notice. Although not subject to direct regulatory oversight, the fund is administered in accordance with the provision of the Illinois Public Investment Act, 30 ILCS 235.

Community College District #522

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 3. Restricted Net Position – Restricted Current Funds

At June 30, 2015, the restricted for current funds net position amount consists of \$271,812 for debt service, \$2,173,828 for grant programs, and \$444,130 for prepaid items. At June 30, 2014 the restricted for current funds net position amount consists of \$224,034 for debt service, \$3,589,245 for grant programs, and \$405,942 for prepaid items.

Note 4. Property Taxes

Property taxes are levied each year on all taxable real property in the District. The property tax calendar is specified by the Board of Trustees. Property taxes are certified on or before the last Tuesday in December and attach as an enforceable lien on the property as of the preceding January 1. These taxes become due and collectible in the following calendar year and are collected by the county collectors in the District who, in turn, remit to the District its respective share. Collection dates vary according to the schedules of the individual counties with disbursements to the District normally made within thirty days of collection.

Property taxes receivable represents the prior year's levy and an estimate of the current year's levy applicable to the portion of the current fiscal year. An allowance, if necessary, is provided for uncollectible property taxes. Property taxes that are not intended for current year operations are shown as a deferred inflow of resources. The amounts accrued from year to year will vary based upon the tax collections of the respective counties.

The following are the tax rates permitted and the actual rates levied per \$100 of assessed valuation.

	Maximum Rate	Levy Year	
		<u>2016</u>	<u>2015</u>

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 6. Long-term Liabilities (Continued)

General obligation bonds

Series 2010: In May 2010, the Board approved a \$10,000,000 taxable Working Cash Bond Issue, dated July 1, 2010. The proceeds of the bonds are being used to increase the District's Working Cash Fund, which is needed as a result of delayed State of Illinois Operating Grant payments. Serial retirement of principal and interest began on December 1, 2011, with interest payable semiannually at 1.5% - 3.3%. Maturity date is December 1, 2015.

Fiscal Year Ending June 30:	Principal	Interest	Total
2016	\$ 2,130,000	\$ 35,145	\$ 2,165,145
	\$ 2,130,000	\$ 35,145	\$ 2,165,145

Series 2007: In April 2007, the Board approved a \$20,000,000 General Obligation Community College Bond Issue. The proceeds of the bonds were used to pay off the outstanding debt certificates issued in fiscal year 2008. Serial retirement of principal and interest began on December 1, 2008, with interest payable semiannually at 4.75% - 5%. Maturity date is December 1, 2022. District debt issuances issued after the Federal Tax Reform Act of 1986 are subject to federal arbitrage regulations. This results when earnings on investments purchased from the gross proceeds of a bond issue exceed the issuer's tax-exempt borrowing rates. The District continues to monitor and report any arbitrage in accordance with the Internal Revenue Code.

Fiscal Year Ending June 30:	Principal	Interest	Total
2016	\$ 1,375,000	\$ 697,750	\$ 2,072,750
2017	1,510,000	625,625	2,135,625
2018	1,625,000	547,250	2,172,250
2019	1,780,000	462,125	2,242,125
2020	1,940,000	369,125	2,309,125
2021 - 2023	6,750,000	495,187	7,245,187
	\$ 14,980,000	\$ 3,197,062	\$ 18,177,062

Southwestern Illinois College
Community College District #522

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 6. Long-term Liabilities (Continued)

Capital Lease Payable: Throughout fiscal year 2015, the District entered into 5 new lease agreements with Konica Minolta to lease copiers and accessory equipment. Total annual lease payments, in the amount of \$160,201 are paid monthly for 5 years. Since the estimated useful life of a copier is also 5 years, the lease is considered capital for accounting treatment. The cost of the assets recorded for these leases was \$731,412. Related accumulated depreciation for the assets for the year ended June 30, 2015 was \$63,499 and the net book value of the equipment under lease was \$667,913.

Fiscal Year Ending June 30:	Principal	Interest	Total
2016	\$ 210,637	\$ 31,830	\$ 242,466
2017	214,594	23,120	237,714
2018	200,234	14,292	214,526
2019	171,541	6,541	178,082
2020	89,288	1,071	90,359
	\$ 886,294	\$ 76,854	\$ 963,147

Note 7. Operating Leases

The District leases space to Aramark Corporation for a complete food service operation at the Belleville campus. Terms of the lease call for the District to provide all utilities for the lessee. The lessee retains all cash receipts. The lease agreement with Aramark Corporation automatically renews on an annual basis unless either party provides 90 days advance notice to terminate the agreement.

The District entered into an agreement with Barnes & Noble College Bookstores, Inc. (Barnes & Noble) to operate and provide services for the bookstores of the District. The agreement expires February 28, 2016, but will continue year-to-year unless terminated by either party pursuant to the terms of the agreement. Barnes & Noble will receive all revenue generated from sales and will pay the District the applicable percentage of the bookstores' gross sales. The percentage of gross sales is 8.0% of all gross sales up to \$3.0 million, 9.5% of all gross sales from \$3.0 million to \$4.0 million, and 10% of gross sales over \$4.0 million. The District has the obligation to pay Barnes and Noble the value of the start-up inventory if the contract is terminated. During the years ended June 30, 2015 and 2014, the District received \$332,379 and \$377,521, respectively, from Barnes & Noble, which is included as operating revenue in the Auxiliary Enterprises Fund.

The District has entered into various equipment operating leases. Total operating lease expenditure for June 30, 2015 and 2014 was \$379,261 and \$274,569, respectively. Lease commitments beyond one year are not significant.

Note 9. Compensated Absences

District employees are entitled to certain compensated absences based on their length of employment. Compensated absences accumulate and are accrued when they are earned.

As of June 30, 2015 and 2014, employees had earned but not taken annual vacation leave which, at salary rates in effect at the end of the year, totaled \$1,912,927 and \$1,706,974, respectively. These amounts are considered current.

In 1995, the District adopted Governmental Accounting Standards Board Statement No. 16, which requires an accrual for compensated absences, insofar as its requirements pertaining to accumulated sick leave. The District estimates its liability for accrued sick leave and related benefits as of June 30, 2015 and 2014, to be \$1,153,729 and \$1,330,675, respectively, using the termination payment method. Of such amounts, the District estimated that \$296,448 and \$277,995 at June 30, 2015 and 2014, respectively, would be paid in the next fiscal year.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 10. Defined Benefit Pension Plans

General Information about the Pension Plan

Plan description: The District contributes to the State Universities Retirement System of Illinois, a cost-sharing multiple-employer defined benefit plan with a special funding situation whereby the State of Illinois (the State) makes substantially all actuarially determined required contributions on behalf of the participating employers. SURS was established July 21, 1941 to provide retirement annuities and other benefits for staff members and employees of state universities, certain affiliated organizations, and certain other state educational and scientific agencies and for survivors, dependents, and other beneficiaries of such employees. SURS is considered a component unit of the State of Illinois' financial reporting entity and is included in the state's financial reports as a pension trust fund. SURS is governed by Section 5/15, Chapter 40 of the Illinois Compiled Statutes. SURS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by accessing the website at www.SURS.org.

Benefits Provided: A traditional benefit plan was established in 1941. Public Act 90-0448 enacted effective January 1, 1998, established an alternative defined benefit program known as the portable benefit package. The traditional and portable plan Tier 1 refers to members that began participation prior to January 1, 2011. Public Act 96-0889 revised the traditional and portable benefit plans for members who begin participation on or after January 1, 2011, and who do not have other eligible Illinois reciprocal system services. The revised plan is referred to as Tier 2. New employees are allowed 6 months after their date of hire to make an irrevocable election. A summary of the benefit provisions as of June 30, 2014 can be found in the System's comprehensive annual financial report (CAFR) Notes to the Financial Statements.

Contributions: The State of Illinois is primarily responsible for funding the System on behalf of the individual employers at an actuarially determined amount. Public Act 88-0593 provides a Statutory Funding Plan consisting of two parts: (i) a ramp-up period from 1996 to 2010 and (ii) a period of contributions equal to a level percentage of the payroll of active members of the System to reach 90% of the total Actuarial Accrued Liability by the end of Fiscal Year 2045. Employer contributions from "trust, federal, and other funds" are provided under Section 15-155(b) of the Illinois Pension Code and require employers to pay contributions that are sufficient to cover the accruing normal costs on behalf of applicable employees. The employer normal cost for fiscal year 2014 and 2015 respectively, was 11.91% and 11.71% of employee payroll. The normal cost is equal to the value of current year's pension benefit and does not include any allocation for the past unfunded liability or interest on the unfunded liability. Plan members are required to contribute 8.0% of their annual covered salary. The contribution requirements of plan members and employers are established and may be amended by the Illinois General Assembly.

Participating employers make contributions toward separately financed specific liabilities under Section 15.139.5(e) of the Illinois Pension Code (relating to contributions payable due to the employment of "affected annuitants" or specific return to work annuitants) and Section 15.155(g)(relating to contributions payable due to earning increases exceeding 6% during the final rate of earnings period).

Pension Liabilities, Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 10. Defined Benefit Pension Plans (continued)

Net Pension Liability

At June 30, 2014, SURS reported a net pension liability (NPL) of \$21,790,983,139. The net pension liability was measured as of June 30, 2013.

Employer Proportionate Share of Net Pension Liability

The amount of the proportionate share of the net pension liability to be recognized for the District is \$0. The proportionate share of the State's net pension liability associated with the District is \$248,326,776 or 1.1396%. This amount should not be recognized in the financial statement. The net pension liability was measured as of June 30, 2014, and the total pension used to calculate the net pension liability was determined based on the June 30, 2013 actuarial valuation rolled forward. The basis of allocation used in the proportionate share of net pension liability is the actual reported pensionable contributions made to SURS during fiscal year 2014.

Pension Expense

At June 30, 2014, SURS reported a collective net pension expense of \$1,650,338,263.

Employer Proportionate Share of Pension Expense

The employer proportionate share of collective pension expense should be recognized similarly to on behalf payments as both revenue and matching expenditure in the financial statements. The basis of allocation used in the proportionate share of collective pension expense is the actual reported pensionable contributions made to SURS during fiscal year 2014. As a result, the District recognized on-behalf revenue and pension expense of \$18,807,007 for the fiscal year ended June 30, 2015.

Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Deferred outflows of resources are the consumption of net position by the system that is applicable to future reporting periods.

SURS Collective Deferred Outflows and Deferred Inflows of Resources by Sources

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ -	\$ -
Changes in Assumptions	88,940,815	-
Net difference between projected and actual earnings on pension plan investments	-	1,271,105,952
Total	<u>\$ 88,940,815</u>	<u>\$ 1,271,105,952</u>

Employer Deferral of Fiscal Year 2015 Pension Expense

Employer paid \$327,910 in federal, trust or grant contributions for the fiscal year ended June 30, 2015. These contributions were made subsequent to the pension liability measurement date of June 30, 2014 and are recognized as Deferred Outflows of Resources as of June 30, 2015.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 10. Defined Benefit Pension Plans (continued)

Assumptions and Other Inputs

Actuarial assumptions. The actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period June 30, 2006 – 2010 and an economic study completed June 2014. The total pension liability in the June 30, 2014 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75 percent
Salary increases	3.75 to 12.00 percent, including inflation
Investment rate of return	7.25 percent beginning with the actuarial valuation as of June 30, 2014

Mortality rates were based on the RP2000 Combined Mortality Table, projected with Scale AA to 2017, sex-distinct, with rates multiplied by 0.80 for males and 0.85 for females. The long-term expected rate of return on pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return were adopted by the plan's trustees after considering input from the plan's investment consultant(s) and actuary(s). For each major asset class that is included in the pension plan's target asset allocation as of June 30, 2014, these best estimates are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
U.S. Equity	31%	7.65%
Private Equity	6%	8.65%
Non-U.S. Equity	21%	7.85%
Global Equity	8%	7.90%
Fixed Income	19%	2.50%
Treasury-Inflation Protected Securities	4%	2.30%
Real Estate	6%	6.20%
REITS	4%	6.20%
Opportunity Fund	1%	2.50%
Total	<u>100%</u>	<u>5.00%</u>
Inflation		<u>2.75%</u>
Expected Geometrical Normal Return		<u>7.75%</u>

Discount Rate. A single discount rate of 7.090% was used to measure the total pension liability. This single discount rate was based on an expected rate of return on pension plan investments of 7.250% and a municipal bond rate of 4.290% (based on the weekly rate closest to but not later than the measurement date of the 20-Year Bond Buyer Index as published by the Federal Reserve). The projection of cash flows used to determine this single discount rate were the amounts of contributions attributable to current plan members and assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the statutory contribution

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 10. Defined Benefit Pension Plans (continued)

rates under the System's funding policy. Based on these assumptions, the pension plan's fiduciary net position and future contributions were sufficient to finance the benefit payments through the year 2065. As a result, the long-term expected rate of return on pension plan investments was applied to projected benefit payments through the year 2065, and the municipal bond rate was applied to all benefit payments after that date.

Sensitivity of the System's Net Pension Liability to Changes in the Discount Rate. Regarding the sensitivity of the net pension liability to changes in the single discount rate, the following presents the plan's net pension liability, calculated using a single discount rate of 7.09%, as well as what the plan's net pension liability would be if it were calculated using a single discount rate that is 1-percentage point lower or 1-percentage-point higher:

1% Decrease 6.09%	Current Single Discount Rate Assumption 7.09%	1% Increase 8.09%
\$ 26,583,701,134	\$ 21,790,983,139	\$ 17,796,570,836

Additional information regarding the SURS basic financial statements including the Plan Net Position can be found in the SURS comprehensive annual financial report by accessing the website at www.SURS.org.

Note 11. On-Behalf Payments for Fringe Benefits and Salaries

Employer contributions made by the State of Illinois to the State Universities Retirement System of Illinois on behalf of the employees of the District are recorded as revenues and expenditures in the Education Fund as required by Governmental Accounting Standard Board Statement 24. The amount recorded as such on-behalf payments for the fiscal years ended June 30, 2015 and 2014 was \$18,807,007 and \$15,832,277, respectively.

Note 12. Risk Management

The District is exposed to various risks of loss related to torts: theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District has purchased commercial insurance to handle these risks of loss. The aggregate loss limits for the commercial insurance vary depending on the type of loss and include the following limits at June 30,

Southwestern Illinois College
Community College District #522

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 12. Risk Management (continued)

	2015	2014
Property	\$190,376,026	\$190,376,026
Business auto liability	1,000,000	1,000,000
Commercial general liability	3,000,000	3,000,000
Commercial umbrella liability	10,000,000	10,000,000
Workers' compensation, Self-Insured Retention	450,000	450,000
Workers' compensation, Part B, Each Accident/Each Employee for Disease	1,000,000	1,000,000

All employees are covered under the workers' compensation, Self-Insured Retention policy. The District utilizes the services of a third-party administrator for claims management and payments. The District purchases commercial insurance for claims in excess of the Self-Insured Retention amount. For the years ended June 30, 2015 and 2014, there have been no claims exceeding the Self-Insured Retention amount of \$450,000 for regular employees.

During fiscal year 2005, the District established the Employee Benefit Fund (Fund), an internal service fund, to account for and finance its uninsured risks of loss related to employee health care costs. The District maintains a comprehensive self-insurance plan through a third-party administrator. Under this program, the Fund provides coverage of the District's employee health and accident insurance up to \$100,000 in eligible claims per covered member per year. Additionally, the District purchases commercial insurance for claims in excess of coverage provided by the Fund. For the years ended June 30, 2015, 2014, and 2013, claims have not exceeded the commercial insurance coverage limit for each respective plan year.

The reserve for health care costs reported in the Fund at June 30, 2015 and 2014, is based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Claims liability includes all known claims and an amount for claims that have been incurred but not reported (IBNR) as well as an estimate of the related loss adjustment expense.

The following is a reconciliation of changes in the reserve for health care costs for the current and prior two fiscal years. The reserve is based on deposits net of changes for the past year when the plan began.

	2015	2014	2013
Reserve for health care costs at July 1	\$ 1,105,475	\$ 1,038,618	\$ 779,164
Claims incurred during the period	5,106,290	4,434,848	4,902,042
Changes in the estimate	59,739	258,887	(19,674)
Payments on claims	(5,153,339)	(4,626,878)	(4,622,914)
Reserve for health care costs at June 30	<u>\$ 1,118,165</u>	<u>\$ 1,105,475</u>	<u>\$ 1,038,618</u>

The District is named as a defendant in various legal actions arising in the normal course of operations. The District's management believes the resolution of those actions will not have material effect on the District's financial statements.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014**

Note 13. Commitments and Building Construction

All known asbestos, if not in the process of being abated during a current renovation project, is contained and poses no immediate threat to public health. Such asbestos may be remediated when future renovation occurs, if the District deems appropriate. The amount expended in fiscal years 2015 and 2014 for asbestos remediation was \$5,339 and \$104,777, respectively. The amounts were funded by Protection, Health and Safety property tax revenues.

Southwestern Illinois College has a contract with Bi-State Development Agency of the Missouri-Illinois Metropolitan District for transportation services. The contract requires the College to pay a set boarding fee for passes adopted by the Agency Board of Commissioners. The contract expired on June 30, 2015 and has been renewed for fiscal year 2016. During fiscal years 2015 and 2014, the District paid approximately \$325,000 and \$485,000 for boarding passes under this contract.

Note 14. New Government Accounting Standards

The District has adopted the following statements during the year ended June 30, 2015:

GASB Statement No. 68, Accounting and Financial Reporting for Pensions, issued June 2012, will be effective for the College beginning with its year ending June 30, 2015. This Statement revises and establishes new financial reporting requirements for most governments that provide their employees with pension benefits. Statement No. 68 replaces the requirements of Statement No. 27, Accounting for Pension by State and Local Governmental Employers and Statement No. 50, Pension Disclosures, as they relate to governments that provide pensions through pension plans administered as trusts or similar arrangements that meet certain criteria. Statement No. 68 requires governments providing defined benefits pensions to recognize their long-term obligation for pension benefits as a liability for the first time, and to more comprehensively and comparably measure the annual costs of pension benefits. The Statement also enhances accountability and transparency through revised and new note disclosures and required supplementary information (RSI).

GASB Statement No. 69, Government Combinations and Disposals of Government Operations, issued January 2013, is effective for the fiscal year ending June 30, 2015. This Statement establishes accounting and financial reporting standards related to government combinations and disposals of government operations. As used in this Statement, the term government combination includes a variety of transactions referred to as mergers, acquisitions, and transfers of operations.

GASB Statement No. 71, Pension Transition for Contributions Made Subsequent to the Measurement Date-An Amendment of GASB Statement No. 68, issued November 2013, will be effective upon the implementation of GASB Statement No. 68, beginning with the year ending June 30, 2015. This Statement amends GASB Statement No. 68 to require that, at transition, a government recognize a beginning deferred outflow of resources for its pension contributions, if any, made subsequent to the measurement date of the beginning net pension liability. Statement No. 68, as amended, continues to require that beginning balances for other deferred outflows of resources and deferred inflows of resources related to pensions be reported at transition only if it is practical to determine all such amounts.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014**

As of June 30, 2015, the Governmental Accounting Standards Board (GASB) has issued statements that will require consideration and implementation by the College as follows:

GASB Statement No. 72, Fair Value Measurement and Application, issued February 2015 is effective for the fiscal year ending June 30, 2016. This Statement addresses accounting and financial reporting issues related to fair value measurements and provide guidance for determining a fair value measurement for financial reporting purposes. This pronouncement will require additional financial reporting and disclosure of fair value measurement of certain of the District's assets and liabilities and is not expected to have a financial impact to the District.

GASB Statement No. 73, Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement No. 68, and Amendments to Certain provisions of GASB Statements 67 and 68, issued June 2015 is effective for the fiscal year ending June 30, 2016 and is not expected to impact the District as it maintains a plan within the scope of GASB Nos. 67 and 68.

GASB Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans, issued June 2015, applies to OPEB plans that administer benefits on behalf of governments through trusts that meet the GASB's specified criteria. It replaces GASB Statement No. 43 and requires more extensive note disclosures and required supplementary information (RSI) for both defined benefit and defined contribution OPEB plans. The provisions of Statement No. 74 are effective for plan fiscal years beginning after June 15, 2016 (District's June 30, 2017 fiscal year).

GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, issued June 2015, applies to governments that provide OPEB to their employees or finance OPEB for employees of other governments. It replaces GASB Statement No. 45 and requires governments to report a liability on the face of their financial statements for the OPEB provided. In addition, it requires governments in all types of OPEB plans to provide more extensive note disclosures and RSI about OPEB liabilities. The provisions of Statement No. 75 are effective for fiscal years beginning after June 15, 2017 (District's June 30, 2018 fiscal year). The effect of this statement to the District is not yet determined.

Note 16. Discretely Presented Component Unit

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of certain significant accounting policies followed in the preparation of the financial statements.

Nature of Activities

The Southwestern Illinois College Foundation was organized in 1975 as a not-for-profit corporation. The purpose of the Foundation is to assist in developing and increasing the facilities of Southwestern Illinois College by encouraging the donation of gifts, to administer such gifts, and to solicit, receive, hold, and administer contributions for scholarships, programs, and enhancement grants.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 16. Discretely Presented Component Unit (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For purposes of reporting cash flows, cash and cash equivalents include time deposits and money market funds with average maturities of three months or less.

Investments

The Foundation carries all investments in debt securities and investments in equity securities with readily determinable fair values at fair value in the statement of financial position, with realized and unrealized gains and losses being reflected in the statement of activities. The Foundation also classifies brokered certificates of deposit as investments.

Beneficial Interest in Perpetual Trusts

The Foundation is the beneficiary of a perpetual trust held by a third party. Under the terms of the trust, the Foundation has the irrevocable right to receive the income generated by the trust in perpetuity, but never receive the corpus of the trust. The beneficial interest in the perpetual trust is recorded at the Foundation's proportional share of the fair value of the underlying trust assets.

Bequest Receivable

Management believes bequest receivables are fully collectible; consequently, no allowance for bad debts has been recorded.

Property and Equipment

Property and equipment is recorded at cost and depreciated on a straight-line basis over the estimated useful life of each asset.

Art Collections

Accessions of art collection items are capitalized at cost if the items were purchased or at their appraised fair value on the accession date (the date which the item is accepted by the Foundation's Board of Directors) if the items were contributed. Gains and losses from deaccessions of these items are reflected in the statement of activities as changes in the appropriate net asset classes, depending on the existence and type of donor-imposed restrictions, if any.

Gifts and Grants

Gifts and grants are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated marketable securities and other non-cash donations are recorded as gifts at their estimated fair values at the date of donation.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 16. Discretely Presented Component Unit (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Gifts and Grants (Continued)

Unconditional promises to give are recognized as revenues or gains in the period received as assets, decreases in liabilities, or decreases in expenses depending on the form of the benefits received. Unconditional promises to give that are expected to be collected are recorded at net realizable value.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. When collected prior to satisfaction of donor restrictions, amounts are reported as refundable advances.

Investment Income

Investment income consists of interest and dividends. Income and losses are allocated based on the percentage of the respective ending unrestricted, temporarily restricted, and permanently restricted net asset balance, before the allocation of investment income. Investment income earned on permanently restricted funds is reported in temporarily restricted net assets, as income earned on these funds is available for current use.

Investment income is reported as follows:

As increases in permanently restricted net assets if the terms of the gift or the Board's interpretation of relevant state law requires that they be added to the principal of a permanent endowment fund;

As increases in temporarily restricted net assets if the terms of the gift impose restrictions on the use of the income; and

As increases in unrestricted net assets in all other cases.

In-Kind Materials, Facilities, and Services

Donated supplies and materials are recorded as contributions and as expenses of the appropriate program or supporting service at their determinable fair value at the date of donation.

Donated property and equipment and art collections are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment and art collections are reported as increases in restricted net assets. Absent donor stipulations regarding how long the donated assets must be maintained, the Foundation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Foundation reclassifies temporarily restricted net assets to unrestricted assets at that time.

Donated facilities are recorded as contributions and expenses at the date of donation at the amount of (a) the fair rental value of the facilities if the Foundation receives the use of the facilities at no cost or (b) the fair rental value of the facilities less the Foundation's contractual lease obligation if it receives the use of the facilities at below-market rates.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 16. Discretely Presented Component Unit (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

In-Kind Materials, Facilities and Services (Continued)

Donated services are recorded as contributions and expenses at their estimated fair value at the date of donation if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation.

Income Taxes

The Foundation is an organization exempt from income taxes as defined in the Internal Revenue Code Section 501(c)(3).

The Foundation follows standards governing the accounting for uncertainty in income taxes. This guidance prescribes a recognition threshold and measurement principles for the financial statement recognition and measurement of tax positions taken or expected to be taken on a tax return that are not certain to be realized. The Foundation evaluated its tax positions and determined it has no uncertain tax positions as of December 31, 2014 and 2013.

The Foundation's income tax returns are subject to review and examination by federal and state authorities. The Foundation is not aware of any activities that would jeopardize its tax-exempt status. The Foundation is not aware of any activities that are subject to tax on unrelated business income or excise or other taxes. The tax returns for the years 2011 to 2013 are open to examination by federal and state authorities.

INVESTMENTS

The cost and fair value of investments as of December 31, 2014, are as follows:

	2014	
	Cost	Fair Value
Certificates of Deposits	\$ 450,000	\$ 445,591
U.S. Treasury Securities	132,579	131,595
Government and Corporate Debt Securities	1,668,367	1,666,029
Fixed Income Mutual Funds	628,948	614,578
Equity Mutual Funds	2,202,392	2,127,077
Common Stocks	1,337,879	1,549,838
	<u>\$ 6,420,165</u>	<u>\$ 6,534,708</u>

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 16. Discretely Presented Component Unit (Continued)

INVESTMENTS (CONTINUED)

The cost and fair value of investments as of December 31, 2013, are as follows:

	2013	
	Cost	Fair Value
Certificates of Deposits	\$ 325,000	\$ 321,784
U.S. Treasury Securities	123,773	128,199
Government and Corporate Debt Securities	1,679,640	1,646,627
Fixed Income Mutual Funds	615,500	612,067
Equity Mutual Funds	2,079,427	2,179,531
Common Stocks	1,312,818	1,456,108
	<u>\$ 6,136,158</u>	<u>\$ 6,344,316</u>

Fair value of investments and cash and cash equivalents held for Endowment are \$576,823 and \$578,250 at December 31, 2014 and 2013, respectively.

FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. It also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include debt and equity securities that are traded in an active exchange market, as well as U.S. Treasury securities.

Level 2 – Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities include debt securities with quoted prices that are traded less frequently than exchange-traded instruments. The category generally includes certain U.S. Government and agency mortgage-backed debt securities and corporate debt securities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant measurement judgment or estimation. This category generally includes certain private debt and equity investments.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to

Southwestern Illinois College
Community College District #522

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 16. Discretely Presented Component Unit (Continued)

FAIR VALUE MEASUREMENTS (CONTINUED)

independent markets. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular asset.

The following tables present the Foundation's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2014 and 2013:

	December 31, 2014			
	Fair Value	Level I	Level II	Level III
Certificates of Deposits	\$ 445,591	\$ -	\$ 445,591	\$ -

RELATED-PARTY CONTRIBUTION OF FACILITIES, EQUIPMENT, AND SERVICES

The Foundation received contributions of the use of facilities, the use of equipment, supplies, and services from Southwestern Illinois College totaling \$438,938 and \$411,187 for the years ended December 31, 2014 and 2013, respectively.

CONCENTRATION OF CREDIT RISK

During the years ended December 31, 2014 and 2013, certain cash and investment balances exceeded the Federal Deposit Insurance Corporation (FDIC) insurance limits and the Securities Investors Protection Corporation (SIPC) insurance limits. However, the Foundation has not experienced any losses in such accounts.

NOTES TO FINANCIAL STATEMENTS

Note 16. Discretely Presented Component Unit (Continued)

BOARD DESIGNATED NET ASSETS

The Foundation's Board of Directors designated unrestricted net assets as of December 31, 2014 and 2013 for the following purposes:

	<u>2014</u>	<u>2013</u>
Schmidt Art Center Construction	\$ -	\$ 160,000
Enhancement Grants	25,000	20,000
	<u>\$ 25,000</u>	<u>\$ 180,000</u>

TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets available as of December 31, 2014 and 2013 are restricted to the following purposes or periods.

	<u>2014</u>	<u>2013</u>
Scholarships	\$ 4,822,626	\$ 4,606,335
Academic Expenses	927,687	920,881
Capital Improvements	140,095	145,793
Life Income Fund	18,072	16,502
	<u>\$ 5,908,480</u>	<u>\$ 5,689,511</u>

PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets of \$507,904 and \$506,584 as of December 31, 2014 and 2013, respectively, are restricted for the purpose of scholarships.

TEMPORARILY RESTRICTED NET ASSETS RELEASED

Temporarily restricted net assets released in accordance with donor restrictions during the years ended December 31, 2014 and 2013 are comprised of the following:

	<u>2014</u>	<u>2013</u>
Capital Improvements	\$ 38,473	\$ 319,519
Scholarships & Grants	220,654	211,977
Academic Expenses	66,166	89,969
	<u>\$ 325,293</u>	<u>\$ 621,465</u>

Note 16. Discretely Presented Component Unit (Continued)

ENDOWMENTS

Interpretation of Relevant Law

The Foundation's endowment consists of individual funds established primarily for scholarship purposes. The funds are all donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted Illinois' Uniform Management of Institutional Funds Act (UMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UMIFA.

The State of Illinois adoption of Uniform Prudent Management of Institutional Funds Act UPMIFA added certain prudent spending measures to UMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate appreciation of donor-restricted endowment funds:

- (1) The long and short term needs of the Foundation in carrying out its purposes
- (2) Present and anticipated financial requirements
- (3) General economic conditions
- (4) Price level trends
- (5) The expected total return on its investments

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets. At December 31, 2014 and 2013, there were no such deficiencies.

Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 16. Discretely Presented Component Unit (Continued)

ENDOWMENTS (CONTINUED)

Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed returns in excess of the rate of inflation over the investment horizon in order to preserve purchasing power of assets. The Foundation's goal of its endowment funds, over a ten year time period, is to provide an average rate of return of approximately 9 percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation's permanent endowment funds are limited to fixed income investments to achieve its long-term return objectives with prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation has a policy of appropriating for distribution each year 4.75% of its portfolio market value, based upon a three year moving average method. In establishing this policy, the Foundation considered the long-term expected return on its investments. Accordingly, over the long term, the Foundation expects the current spending policy to allow its endowments to grow. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

Spending Policy and How the Investment Objectives Relate to Spending Policy (Continued)

The following is a summary of endowment funds subject to the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). The tables exclude the perpetual trust endowment funds, as these are not subject to UPMIFA:

Endowment Net Asset Composition by Type of Fund as of December 31, 2014 and 2013:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>

**Notes to Required Supplementary Information
For the Year Ended June 30, 2014**

Changes of benefit terms. There were no benefit changes recognized in the Total Pension Liability as of June 30, 2014.

Changes of assumptions. In accordance with Illinois Compiled Statutes, an actuarial review is to be performed at least once every five years to determine the reasonableness of actuarial assumptions regarding the retirement, disability, mortality, turnover, interest, and salary of the members and benefit recipients of SURS. An experience review for the years June 30, 2010 to June 30, 2014 was performed in February 2015, resulting in the adoption of new assumptions as of June 30, 2015. There are no changes of assumptions that affect measurement of the total collective pension liability since the prior measurement date.

**Required Supplementary Information (Covered payroll)
For the Year Ended June 30, 2014**

The definition of covered payroll in GASB Statement Number 25, Financial Reporting for Defined Benefit Pension Plans was changed in GASB Statement Number 67, Financial Reporting for Pensions. Below are the definitions from the glossaries of both statements.

GASB 25 Covered Payroll. All elements included in compensation paid to active employees on which contributions to a pension plan are based. For example, if pension contributions are calculated on base pay including overtime, covered payroll includes overtime compensation.

GASB 67 Covered-Employee Payroll. The payroll of employees that are provided with pensions through the pension plan.

The change in definition refers to gross payroll rather than pensionable payroll. SURS employers do not report the gross payroll directly to SURS. Therefore, you must fill in your gross payroll amount for Fiscal Year 2014 in the following Required Supplementary Information for your covered-employee payroll and calculate the employer's proportion of collective net pension liability as a percentage of covered-employee payroll.

Notes:

- (1) Principal taxpayers are reported for St. Clair, Madison and Monroe Counties, as they comprise more than 90% of the District.
- (2) Every effort has been made to seek out and report the largest taxpayers. However, many of the taxpayers listed contain multiple parcels and it is possible that some parcels and their valuations have been overlooked. The 2014 assessed valuation is the most current available.
- (3) Every effort was made to seek out and report the largest taxpayers as of nine years ago.

Notes:

- (1) Every effort has been made to seek out and report the principal employers of the District. There are eight counties in the District and St. Clair and Madison represent approximately 80% of the total taxable Estimated Assessed Valuation (EAV) of the District. Therefore, this schedule was limited to these two counties and includes the major taxpayers in those counties in our district.
- (2) The total number of employees represents the total number of employees in the two counties as a whole.
- (3) Every effort was made to seek out and report the principal employers as of seven years ago.

Fiscal Year 2016 Certificate of Chargeback Reimbursement Form

The Fiscal Year 2016 Certificate of Chargeback Reimbursement Form was unable to be completed by the October 15, 2015 audit due date because line 17 of the form (the FY 2016 average grant rate based on FY 2016 ICCB grants) was unavailable since the State of Illinois budget had not yet been approved by the General Assembly and the Governor of the State of Illinois. This page will be issued at a later date as an addendum/replacement page once all information is available to complete the FY 2016 Chargeback Form.

Notes to Supplemental Information

Basis of Presentation

Supplemental financial statements: In order to ensure observation of limitations and restrictions placed on the use of available resources, the accounts are maintained in accordance with the principles of fund accounting as promulgated by the Illinois Community College Board *Fiscal Management Manual*. Accordingly, supplemental financial information of the District is presented on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, fund balance, revenue, and expenditures. For reporting purposes, funds that have similar characteristics have been combined into fund groups. The various fund groups and their designated purposes are as follows:

Current Funds - The Current Funds are utilized to account for those economic resources that are expendable for the purpose of performing the primary and supporting missions of the District and consist of the following:

Unrestricted Fund - The Unrestricted Fund accounts for the general operations of the District. All property tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this subgroup. From this subgroup are paid the general operating expenses, the fixed charges, and the expenditures for plant assets that are not paid from other funds.

Restricted Funds - The Restricted Fund is used to account for resources that are available for the operation and support of the educational program but which are restricted as to their use by outside agencies.

Loan Fund - This subfund is used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs.

Plant Funds - The Plant Funds are used to account for the transactions relating to investment in the District properties, and consist of the following self-balancing subfunds:

Operations and Maintenance: - This subfund is used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Investment in Plant: - This subfund is used to account for the excess of the carrying value of plant assets over the related liabilities.

Internal Service Fund - Is used to account for services provided by one fund for all of the other funds of the District on a cost reimbursement basis.

Report on the Financial Statements

We have audited the accompanying financial statements of the Career and Technical Education - Program Improvement Grants, and Adult Education and Family Literacy Grants of Southwestern Illinois College, Community College District #522 (the District), which comprise the balance sheet as of June 30, 2015, and the related statement of revenues, expenditures, and changes in fund balance for the year then ended, and the related note to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the grant policy guidelines of the Illinois Community College Board's Fiscal Management Manual. Those standards and guidelines require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Career and Technical Education - Program Improvement Grants, and Adult Education and Family Literacy Grants of Southwestern Illinois College, Community College District #522, as of June 30, 2015, and the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in the Note to the financial statements – grant programs, the financial statements of the Career and Technical Education - Program Improvement Grants, and Adult Education and Family Literacy Grants of Southwestern Illinois College, Community College District #522, are intended to present only the financial position and the changes in financial position of grant activity that is attributable to transactions of Southwestern Illinois College, Community College District #522. They do not purport to, and do not, present fairly the financial position of Southwestern Illinois College, Community College District #522 as of June 30, 2015, or the changes in its financial position for the period then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted the Management Discussion and Analysis and Schedule of Proportionate Share of the Net Pension Liability and Contributions that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Career and Technical Education - Program Improvement Grants, and Adult Education and Family Literacy Grants of Southwestern Illinois College, Community College District #522 financial statements. The supplementary ICCB compliance schedule for the Adult Education and Family Literacy Grant Program (page 120) is presented for purposes of additional analysis and is not a required part of the financial statements.

The supplementary ICCB compliance schedule for the Adult Education and Family Literacy Grant Program (page 120) is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, to the basic grant program financial statements as a whole.

**NOTE TO FINANCIAL STATEMENTS-GRANT PROGRAMS
FOR THE YEAR ENDED JUNE 30, 2015**

Summary of Significant Accounting Policies

General: The accompanying statements include only those transactions resulting from the ICCB Career and Technical Education-Program Improvement and Adult Education & Family Literacy programs. These transactions have been accounted for in the Restricted Purposes Fund.

Basis of accounting: The statements have been prepared on the modified accrual basis of accounting. Expenditures include all accounts payable representing liabilities for goods and services actually received as of June 30, 2015. Funds obligated for goods prior to June 30 for which the goods are received prior to August 31 are recorded as encumbrances. Unexpended funds are reflected as a reduction to fund balance and a liability due to the ICCB by October 15.

Capital assets: Capital asset purchases are recorded as capital outlay expenditures and not capitalized.

Payments of Prior Year's Encumbrances: Payments of prior year's encumbrances for goods received prior to August 31 are reflected as expenditures during the current fiscal year.

Credit Risk: The Board of Trustees has authorized the District to invest funds in accordance with the Illinois Community College Act and the Investment of Public Funds Act. The District's investment policy is to apply the prudent person rule: Investments are made as a prudent person would be expected to act, with discretion and intelligence, to conform with legal requirements, seek reasonable income, preserve capital, maintain liquidity and, in general avoid speculative investments.

Custodial Credit Risk: Custodial credit risk is the risk that in the event of bank failure, the District's deposits may not be returned to it. The District's investment policy allows that funds on deposit in excess of FDIC limits must be secured by some form of collateral, witnessed by a written agreement, and held at an independent, third party institution in the name of the District. The District's collateralization policy is currently set at 105% of uninsured deposits. At June 30, 2015 and 2014, the District's deposits were not fully collateralized.

Concentration of Credit Risk: At June 30, 2015 and 2014, the District had greater than 5% of its overall portfolio invested in Illinois School District Liquid Asset Fund Plus Money Market. This is in accordance with the District's investment policy.

Interest Rate Risk:

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

The State Treasurer maintains the Illinois Funds Money Market at cost and fair value through daily adjustment in the interest earnings. The State Treasurer also maintains the average duration of the pool at less than 25 days. The fair value of the College's investment in the funds is the same as the value of the pool shares. The Pool is audited annually by an outside independent auditor and copies of the report are distributed to participants. The District's investments in the Illinois Funds are not required to be categorized because these are not securities. The relationship between the District and the investment agent is a direct contractual relationship and the investments are not supported by a transferable instrument that evidences ownership or creditorship.

All funds deposited in the pool are classified as investments even though some could be withdrawn on a day's notice. Although not subject to direct regulatory oversight, the fund is administered in accordance with the provision of the Illinois Public Investment Act, 30 ILCS 235.

BACKGROUND INFORMATION ON STATE GRANTS ACTIVITY

UNRESTRICTED GRANTS

Base Operating Grants

General operating funds provided to colleges based upon credit enrollment, with a small portion of the allocation based upon gross square footage of space at the college.

Equalization Grants

Grants provided to institutions with less than the statewide average local tax dollars available per full-time equivalent student.

RESTRICTED GRANTS/SPECIAL INITIATIVES

Career and Technical Education - Program Improvement Grants

Grant funding requires that keeping career and technical education programs current and reflective of the highest quality practices in the workplace is necessary to prepare students to be successful in their chosen careers and to provide employers with the well-trained workforce they require. The grant funds are dedicated to enhancing instruction and academic support activities to strengthen and improve career and technical programs and services.

RESTRICTED ADULT EDUCATION GRANTS/STATE

State Basic

Grant awarded to Adult Education and Family Literacy providers to establish special classes for the instruction of persons of age 21 and over or persons under the age of 21 and not otherwise in attendance in public school for the purpose of providing adults in the community, and other instruction as may be necessary, to increase their qualifications for employment or other means of self-support and their ability to meet their responsibilities as citizens including courses of instruction regularly accepted for graduation from elementary and/or high schools and for Americanization and General Education Development Review classes. Included in this grant are funds for support services, such as student transportation and child care facilities or provision.

Public Assistance

Grant awarded to Adult Education and Family Literacy providers to pay for any fees, books, and materials incurred in the program for students who are identified as recipients of public assistance.

Performance

Grant awarded to Adult Education and Family Literacy providers based on performance outcomes.

INDEPENDENT ACCOUNTANTS' REPORT
ON THE SCHEDULE OF ENROLLMENT DATA
AND OTHER BASES UPON WHICH CLAIMS ARE FILED

Board of Trustees
Southwestern Illinois College
Community College District #522
Belleville, Illinois

We have examined the accompanying Schedule of Enrollment Data and Other Bases Upon Which Claims are Filed of Southwestern Illinois College, Community College District #522 (District) for the year ended June 30, 2015. The Schedule of Enrollment Data and Other Bases upon Which Claims are Filed is the responsibility of the District's management. Our responsibility is to express an opinion on this schedule based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the guidelines of the Illinois Community College Board's *Fiscal Management Manual*, and accordingly, included examining, on a test basis, evidence supporting the Schedule of Enrollment Data and Other Bases Upon Which Claims are Filed, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified guidelines.

In our opinion, the accompanying Schedule of Enrollment Data and Other Bases upon Which Claims are Filed is fairly presented in accordance with the provisions of the aforementioned guidelines for the year ended June 30, 2015.

This report is intended solely for information and use of the District's Board of Trustees and its reporting to the Illinois Community College Board and is not intended to be and should not be used by anyone other than these specified parties.

RESIDENCY VERIFICATION PROCESS

Residency is verified by Admissions and Records personnel or program coordinators of the College. The following items are acceptable forms of documentation:

- Automobile insurance ID card
- Automobile license registration card
- Bank statements
- Driver's license
- Federal, state, or county official documents
- Income tax forms (i.e., W-2)
- Lease agreement
- Military orders
- Occupancy permit
- Pay stub
- Real estate or property tax bill
- Utility bill or receipt
- Voter's registration card

New students and those changing from an out-of-district to an in-district address will be required to provide proof of residency.

Residency for students under age 18 shall be considered to be that of the parent or legal guardian, unless the student is self-supporting.

College personnel will verify residency visually for new students visiting Southwestern in-person and then indicate on the New Student Information Form that they attest to having reviewed documentation supporting residency and understand the impact with respect to state funding.

New students who mail, fax, or submit via our website the New Student Information form are sent a letter requesting that they submit acceptable documentation proving residency within 14 days. If they do not respond within that timeframe, their student record is restricted and they are not allowed to register until they do so.

Employees who verify residency of students after the 14-day grace period photocopy the documentation for appropriate filing in the student's permanent file.

Students are appropriately coded in our student information system for state funding purposes as follows:

A student is considered to be in-district if the student's legal residence is within the boundaries of Community College District #522 and can be established 30 days prior to the beginning date of the student's earliest class of the semester.

A student living outside District #522, who is a resident of the state of Illinois and does not attend Southwestern under the terms of a joint agreement or chargeback agreement, will be designated as an out-of-district student and will be charged the appropriate tuition.

(Continued)

RESIDENCY VERIFICATION PROCESS (Continued)

Any student who is a resident of another state or country will be considered an out-of-state student and will be charged the appropriate tuition. International students who have been issued an I-20 to attend Southwestern may not establish eligibility for in-district tuition rates.

Out-of-district and out-of-state students who receive training from and are employed at least 35 hours per week by an entity located within District #522 may qualify for in-district rates. These students must complete an appropriate Southwestern form from the Admissions and Records Office and have it completed and signed by their employee. This form must be submitted to Southwestern before the midterm date of the affected class(es).

Out-of-district students who have received chargeback tuition authorization from the community college district in which they live, will pay Southwestern in-district tuition. Students must contact the community college district in which they live for chargeback authorization at least 30 days prior to the beginning of any semester. Out-of-district students attending Southwestern without chargeback authorization will pay out-of-district tuition.

Out-of-district students who attend Southwestern Illinois College under the terms of a joint agreement between Southwestern and another community college district will pay Southwestern in-district tuition.

Students attending McKendree College, located in district with Southwestern, may attend Southwestern as an in-district student if they provide a student ID card from McKendree. The Director of Admissions from Southwestern, then verifies current enrollment status with the Registrar at McKendree College. This document becomes part of the student's Southwestern permanent file and must be provided and verified each semester he/she wishes to attend Southwestern.

Federal Financial Compliance Section

**Independent Auditors' Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance With *Government Auditing Standards***

Board of Trustees
Southwestern Illinois College
Community College District #522
Belleville, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Southwestern Illinois College, Community College District #522 (the District) and its discretely presented component unit, as of and for the year ended June 30, 2015 and the related notes to the financial statements, which collectively comprise Southwestern Illinois College, Community College District #522's basic financial statements, and have issued our report thereon dated December 29, 2015. The financial statements of the District's component unit, Southern Illinois College Foundation (the Foundation) were not audited in accordance with *Government Auditing Standards*.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered Southwestern Illinois College, Community College District #522's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Illinois College, Community College District #522's internal control. Accordingly, we do not express an opinion on the effectiveness of Southwestern Illinois College, Community College District #522's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwestern Illinois College, Community College District #522's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We noted certain matters that we reported to management of the District in a separate letter dated December 29, 2015.

This report is intended for the information and use of the board of trustees, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

CliftonLarsonAllen LLP

Belleville, Illinois
December 29, 2015

**Independent Auditors' Report on Compliance With
Requirements That Could Have a Direct and Material Effect
on Each Major Federal Program and on Internal Control Over
Compliance in Accordance With OMB Circular A-133**

Board of Trustees
Southwestern Illinois College
Community College District #522
Belleville, Illinois

Report on Compliance for Each Major Federal Program

We have audited Southwestern Illinois College, Community College District #522's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Southwestern Illinois College, Community College District #522's major federal programs for the year ended June 30, 2015. Southwestern Illinois College, Community College District #522's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Southwestern Illinois College, Community College District #522's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southwestern Illinois College, Community College District #522's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southwestern Illinois College, Community College District #522's compliance.

Opinion on Each Major Federal Program

In our opinion, Southwestern Illinois College, Community College District #522's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with OMB Circular A-133 and which is described in the accompanying schedule of findings and questioned costs as items 2015-001. Our opinion on each major federal program is not modified with respect to these matters.

Southwestern Illinois College, Community College District #522's responses to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. Southwestern Illinois College, Community College District #522's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

Report on Internal Control Over Compliance

Management of Southwestern Illinois College, Community College District #522 is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southwestern Illinois College, Community College District #522's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southwestern Illinois College, Community College District #522's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Board of Trustees
Southwestern Illinois College
Community College District #522

We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance as described in the accompanying schedule of findings and questioned costs as item 2015-001 that we consider to be a significant deficiency.

Southwestern Illinois College, Community College District #522's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. Southwestern Illinois College, Community College District #522's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the business-type activities and the discretely presented component unit of Southwestern Illinois College, Community College District #522 as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise Southwestern Illinois College #522's basic financial statements. We issued our report thereon dated December 29, 2015, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

This report is intended for the information and use of management, the board of trustees and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specific parties.

Southwestern Illinois College
Community College District #522

Notes to Schedule of Expenditures of Federal Awards
Year Ended June 30, 2015

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Southwestern Illinois College and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in, the preparation of the basic financial statements.

NOTE 2 NON-CASH ASSISTANCE

Southwestern Illinois College did not receive any non-cash assistance through federal award programs during the year ended June 30, 2015. In addition, there was no insurance in effect during the year that came through federal sources.

NOTE 3 LOANS OUTSTANDING

The federal award program of Southwestern Illinois College had no outstanding loan balances nor was there any loan guarantees as of June 30, 2015.

NOTE 4 SUB-RECIPIENTS

All of the federal award program funds received by Southwestern Illinois College were retained by the District. There were no amounts passed to sub-recipients.

Schedule of Findings and Questioned Costs
Year Ended June 30, 2015

A. SUMMARY OF AUDIT RESULTS

1. The auditors' report expresses an unmodified opinion on the financial statements of Southwestern Illinois College.
2. No material weaknesses were identified or disclosed during the audit of the financial statements of Southwestern Illinois College.
3. No significant deficiencies were identified during the audit of the financial statements of Southwestern Illinois College.
4. No instances of material noncompliance were identified during the audit of the financial statements of Southwestern Illinois College.
5. One significant deficiency was disclosed related to the audit of the major federal award programs for Southwestern Illinois College, which was not considered a material weakness.
6. The auditors' report on compliance for the major federal award programs for Southwestern Illinois College expresses an unmodified opinion.
7. Audit findings relative to the major federal award programs for Southwestern Illinois College are reported in Part B of this schedule.
8. The programs tested as major programs include:

<u>Program</u>	<u>CFDA Number</u>
Student Financial Aid Cluster	Various
Highway Construction Careers Training Program	20.205

9. The threshold for distinguishing type A and B programs was \$300,000.
10. Southwestern Illinois College was not determined to be a low risk auditee.

Schedule of Findings and Questioned Costs
Year Ended June 30, 2015

B. FINDINGS – FINANCIAL STATEMENT AUDIT

CURRENT YEAR

None

B. FINDINGS – MAJOR FEDERAL AWARD PROGRAMS AUDIT

CURRENT YEAR

2015-001: NSLDS Reporting

CFDA #84.268

Grant year ended June 30, 2015

Department of Education-

Pass-Through: P268K151336

Condition

The NSLDS "SCHER1" report was reviewed as part of our NSLD special testing. It was noted that errors were not being re-submitted within the 10-day time period.

Criteria

Per the NSLDS Enrollment Reporting Guide (July 2014) section 6.1.1 Reporting Schedules, If the response is provided by a batch response file, NSLDS will process the file and return an Error/Acknowledgement file. Any error must be corrected and submitted within 10 days of receiving the file Clearinghouse submissions finding related to failure to comply with the requirement to have error responses filed and accepted within the 10-day time frame. The Clearinghouse was audited and received a finding for not properly submitting the error reports to NSLDS, thus anyone utilizing the Clearinghouse will have the error report finding.

Possible Asserted Affect

The status of certain students with loans may not be properly updated in the NSLDS system. Per 34 CFR 685.309 (Administrative and fiscal control requirements for participating schools regulations), the school is responsible for providing accurate and timely enrollment data as this data determines whether a student with a loan should enter the grace period and when eventual repayment begins.

Questioned Costs

Not applicable

Auditors' Recommendation

We recommend working with the National Clearinghouse and directly with NSLDS to monitor compliance related to reporting student enrollment data.

Management's Response

Southwestern Illinois College has reviewed the internal controls and process to ensure the timely receipt, processing and tracking of SSCR error files. The National Student Clearinghouse (NSC) has acknowledged that during the 2014 and 2015 years there were three times during the years where they had issues with NSLDS accepting the error response files from them due to a change in the file receipt process. NSC has indicated that they have put into place a robust series of edits on enrollment

Schedule of Findings and Questioned Costs
Year Ended June 30, 2015

files to prevent errors on SSCR responses and have increased the frequency of responding to the SSCR by responding on a monthly and mid-monthly basis to correct submitted changes from schools to comply with the timeframe requirement. Additionally, NSC is working on enhancements to the process to provide more transparency and opportunity to correct SSCR errors. Until NSC has put their planned enhancements into place, Southwestern Illinois College will receive a copy of the SSCR error report on a monthly basis to monitor and ensure resolution within the required timeframe. There are file scheme set-ups that NSLDS kicks out as an error but is rather a warning because the reported data is correct. These errors self-correct with a subsequent submission report and Southwestern Illinois College will keep a documented record of these errors for future audits.

CORRECTIVE ACTION PLAN (CAP):

Explanation of Disagreement with Audit Findings

There is no disagreement with the audit finding.

Actions Planned in Response to Finding

As the NSC has put their planned enhancements into place, Southwestern Illinois College will receive a copy of the SSCR error report on a monthly basis to monitor and ensure resolution within the required timeframe. There are file scheme set-ups that NSLDS kicks out as an error but is rather a warning because the reported data is correct. These errors self-correct with a subsequent submission report and MCC will keep a documented record of these errors for future audits.

C. FINDINGS – FINANCIAL STATEMENT AUDIT

Prior Year

None

C. FINDINGS AND QUESTIONED COSTS – MAJOR FEDERAL AWARD PROGRAMS AUDIT

Prior Year

2014-001: NSLDS Reporting
CFDA #84.032
Grant year ended June 30, 2014
Department of Education-
Pass-Through: P268K131336

Condition

During our testing, we noted one student out of forty tested did not show the correct status per Department of Education Guidelines.

Schedule of Findings and Questioned Costs
Year Ended June 30, 2015

Criteria

Based on Department of Education guidelines, the institution has 60 days from the date you determine a student's change in status to report to NSLDS per regulations 682.610/685.309; the federal regulations indicate that an institution must report when a student has ceased to be enrolled at least half-time. The reporting of a Less Than Half Time status would meet this requirement.

Possible Asserted Affect

Information supplied to Federal Loan Servicers & Guarantors could be incorrect.

Questioned Costs

None

Auditors' Recommendation

The College should implement procedures to ensure that student's statuses are updated timely and all discrepancies should be investigated.

Management's Response

Management will review year end closing procedures to determine necessary adjustments prior to audit date.

CORRECTIVE ACTION PLAN (CAP):

Explanation of Disagreement with Audit Findings

There is no disagreement with the audit finding.

Actions Planned in Response to Finding

The Southwestern Illinois College has taken corrective action and adjusted year end closing procedures to provide oversight to ensure misstatements are prevented or detected and corrected prior to the financial statement audit.
