

**TO THE TUNE OF**  
***Twinkle, Twinkle Little Star***

**PART ONE**

Delaney hits a Mexican

He is an illegal man

Gives the poor guy 20 bucks

Kyra says, now what the f\*\*\*heck

Delaney now is quite obsessed

Over this whole stinkin' mess.

Candido, he is really hurt  
Lying there in all the dirt  
America sees him lying there  
Does her best to give him care  
Then gets up to earn some dough  
Candido tells her not to go.

Delaney fixes their breakfast  
Then cleans up the whole darn mess  
A coyote snatches Sacheverell  
Delaney's world goes all to hell  
Arroyo Blanco wants a gate  
Delaney reveals the doggie's fate.

Candido's feeling all the shame  
America gets all the blame  
Then she leaves to find some work  
(Her big sister was a jerk)  
Across the stream, Candido's sick  
Jack Jr. is such a prick.

Kyra's day is really crappy  
The coyote made her real unhappy  
The Da Ros place is her retreat  
She thinks it is really neat  
"The coyote chorus," Delaney writes  
Makes him feel content at night.

America tries one more time  
To find some work and earn a dime  
Jim Shirley has work to do  
Mary insists she join them too  
She earns more money 'cause she's white  
Candido moves the whole camp site.

Kyra likes the Da Ros place  
Feels that she deserves the space  
Delaney takes a little hike  
Sees some trash that he don't like  
Makes his way back to the road  
Wonders if his car's been towed.

America's back—go celebrate  
She earned cash, so they ate  
The next day they both climb the hill  
Hoping there are jobs to fill  
Jose is out to cause some hurt  
He rapes America in the dirt.
