## START THE SEMESTER ARMED FOR SUCCESS

**SUCCESS CENTER BOOT CAMPS** help students review core course topics and study skills.

**MATH BOOT CAMPS** are for students enrolled in **Math 107, 111, or 112** who want a jumpstart on their course.

**ENGLISH BOOT CAMPS** offer students insider tips on writing and revising essays, interpreting assignments, citing sources, and using technology.

**CHEMISTRY BOOT CAMPS** are for students enrolled in **Chemistry 101 or 105** who want a review as well as help navigating the WileyPlus homework system and Logger Pro graphing software.

## LAUNCH YOUR SUCCESS!

*During the first two weeks of the semester...*

**Come to any Success Center** and develop a free learning profile, pick up a student planner, and get your questions answered about eSTORM, Outlook, Blackboard, Teams and other academic platforms that will help you get started and stay on the right path to SWIC-cess.

### MAKE THE MOST OUT OF TUTORING

- » **Come in early in the semester**
- » **Come prepared** - Bring your books, syllabus, notes, and questions.
- » **Communicate and participate** - When you don't understand, ASK!
- » **Have realistic expectations** - Tutoring cannot replace attendance and class participation.
- » **Remember that the key to S\_CCESS is U!** It is up to **you** to take the initiative to succeed, so visit the Success Center early and often!

### WHAT OTHER STUDENTS SAY

"The Success Center has really helped me understand material I'm confused about. If I have a question, there is always someone there to help me."

"It is a great place to go when you want to study or need help on an assignment. Great tutors, friendly people, awesome working environment. I get more work done at the Success Center than at home, because I can focus."

"The Success Center has a great study atmosphere. I feel very comfortable, and it is an awesome place to get tutoring or just simply work."
