DESCRIPTION

Criminal justice is the system in which crimes and criminals are detected, detained, tried and punished. People who study criminal justice actually learn about all the different components and inner workings of the system. Three main components make up the criminal justice system: law enforcement, courts and corrections. They work together to prevent and punish deviant behavior.

EMPLOYMENT OPPORTUNITIES

A variety of careers are open to students who graduate with a Bachelor's degree in Criminal Justice including:

Probation officer	Fraud investigator
DEA agent	Secret Service agent
Correctional officer	FBI agent
Private detective

COURSE SEQUENCE BY TERM

The following is the suggested course sequence by term. Please keep in mind:

- The course sequence is laid out by suggested term and may be affected when students enter the program at different times of the year.
- Initial course placement is determined by current district placement measures and/or completion of 100-200 level course and/or program requirements.
- Students should meet with an academic advisor about any concerns that may affect course enrollment.
- **This guide includes course suggestions for students undecided on where they plan to transfer. If you know where you are transferring to for your bachelor's, follow that institution's transfer requirements.**
