DESCRIPTION

The Health Science/Safety Education major is designed to emphasize the importance of adopting healthy lifestyles through informed choice by empowering students to distinguish between behaviors that foster and those that hinder well-being. Students will be prepared primarily for careers in the public health sector.

EMPLOYMENT OPPORTUNITIES

Career opportunities in health science/safety education are expected to grow faster than the average. Career opportunities exist as:

Health behavior specialist	Health consultant
Community health educator	Alcohol or drug abuse consultant
Environmental health specialist	Industrial Hygienist
First Aid/CPR/AED instructor	Occupational health and safety technician

COURSE SEQUENCE BY TERM

The following is the suggested course sequence by term. Please keep in mind:

- The course sequence is laid out by suggested term and may be affected when students enter the program at different times of the year.
- Initial course placement is determined by current district placement measures and/or completion of 100-200 level course and/or program requirements.
- Students should meet with an academic advisor about any concerns that may affect course enrollment.
- **This guide includes course suggestions for students undecided on where they plan to transfer. If you know where you are transferring to for your bachelor's, follow that institution's transfer requirements.**
