

ST General Education courses

Although completion of general education is not required, it does enhance points on the application, which is preferred if there are more candidates than seats available. Recommended completion of the following high school coursework to prepare for a health science occupation. Four years in English, algebra and geometry, biology, and social science courses.

Points can be earned for completion of the following courses with a “B” or better:

- ✚ **ENG 101-Rhetoric & composition I**
- ✚ **BIOL 105-Human Biology**
- ✚ **BIOL 250-Microbiology**
- ✚ **COMM 151-Fundamental of Public Speaking**
- ✚ **SOC 153-Introductory Sociology**
- ✚ **HRO 100-Medical Terminology**
