* All tuition, fees, textbooks and required supplies and equipment costs are subject to change by the action of the board of trustees and/or changes in technology or program curriculum. Tuition costs are calculated using current in-district rates. Additional costs may exist for out-of-district or out-of-state students not covered by a cooperating agreement.

** Cost may vary based on student insurance

***National Certification exam is recommended but not required. The fee is paid directly to the certifying agency
