- The most recent grades are utilized, so if the most recent course has a low grade, consider re-taking. **See Financial Aid box in section D.**
- If you didn't complete Biology in high school, enroll in college level **BIO 157**. If a grade of "B" or better, it will generate points as a course AND in the general education section (see Section D) of this application. A score less than "B" will only generate points in this section.
- Students have the potential to earn the greatest amount of points from this section of the application.

Section B – Pre-Nursing Admission Exam

It is MANDATORY to take the Pre-Nursing Admission Exam

Students earn points in this section based on results of the pre-nursing “TEAS” Admission examination available during a period in January 6 and February 15, 2025. Directions on taking this exam are provided to students via their “swic.edu” email account after Enrollment Services Office receives your NE application and the Business Office receives the \$70 examination fee (**due no later than Dec. 1 or the next business day**). This email will identify when & how to schedule a testing date to complete this computerized exam at the SWIC Belleville Campus Testing Center during identified dates. As the exams are purchased based on the number of applicants, the examination fee is non-refundable. Study guides for the TEAS (7th edition) are available at the campus bookstore or online through the manufacturer.

For the fall 2025 admission, **students who have previously taken TEAS at another testing site from Sept 1, 2022 to present, will be advised to request their score be transferred to Enrollment Services at SWIC from ATI online at www.atitesting.com.** ATI may charge a transcript fee to be paid by the student. Transfer scores from ATI TEAS must be received by SWIC **NO LATER THAN November 1.**

How POINTS are assigned on the application for the Pre-Nursing admission exam:

If you wish to use your 2022, 2023, or 2024 TEAS score, indicate score and year of testing and site exam was taken. If you took the exam more than once, the most recent score will be used. If you have not taken this exam, place "CE" under the score section and you can estimate the points you believe you will earn. **Students may only take the TEAS examination once during the current application period.**

Courses must be completed by the end of the Fall 2024 semester.
