

CRIME ALERT
THEFTS ON BELLEVILLE CAMPUS

This message includes information about an incident that recently occurred on February 27th on the Belleville campus. The purpose of this email is to provide you with the information regarding an incident involving a non-affiliated individual being on campus targeting unattended areas and removing items from offices, desks and surrounding areas.

Public Safety has identified the individual responsible for the thefts and continue to investigate.

We would like to take this opportunity to remind the campus community that crime reduction on campus requires continued active support. Please remember to:

- Always secure your belongs
- Never leave valuables in sight
- Be alert and aware of your surroundings
- Report suspicious behavior to Public Safety

These incidents are under active investigation. If you were on campus on Feb. 27, 2024 and have determined you were the victim of a theft, please notify Public Safety.

Please contact Public Safety at 618-222-5221 with any questions or concerns.
