Mission Statement

The mission of the Art Department of Southwestern Illinois College is to introduce and reinforce both an understanding of visual literacy and/or a productive facility, through exposure to and the reflection and analysis of the visual arts. The program will provide expertise, resources, and guidance in preparing students for such challenges as lifelong learners. The making and presentation of artwork through the critique process, portfolio development, and exhibitions will be utilized to evaluate levels of competency as a means to assess quality of student learning.
