Business

Discipline/Program/Department:

Management

Contact Person(s):

Tuju, Sila

Mission Statement

The mission of the Management AAS program is to prepare students for transformative careers by developing the skills necessary for success in contemporary management. The program provides a dynamic learning environment that challenges students to develop the knowledge, skills, and abilities to make effective business decisions with a strong customer-centric view. This program fosters a commitment to ethics and responsibility as key components of career success.

Program/Discipline Curriculum Map

I = Introduce: Student is first exposed to the concept/idea and is requested to apply the concept in a limited scope.

E = Emphasize: Student applies concept(s) in varying/multiple situations of greater complexity than when initially introduced.

R = Reinforce: Student may be expected to understand the concept upon taking the course and utilizes the concept in conjunction with other concepts/ideas to solve problems.
