

MISSION STATEMENT & STUDENT LEARNING OUTCOMES for Nurse Assistant

Review Year:

2026

Division:

Health Sciences

Discipline/Program/Department:

Nurse Assistant

Contact

Person(s): Reid, Stephanie

Mission Statement

Our mission is to provide the health care community with knowledgeable and skilled nursing assistants who recognize that the patient/resident/client is a unique individual with needs and rights deserving of holistic care. Through a system that assesses the performance and progress of each student during the pursuit of his/her professional development, the program ensures that its students learn what the profession requires.

Program/Discipline Curriculum Map

I = Introduce: Student is first exposed to the concept/idea and is requested to apply the concept in a limited scope.

E = Emphasize: Student applies concept(s) in varying/multiple situations of greater complexity than when initially introduced.

R = Reinforce: Student may be expected to understand the concept upon taking the course and utilizes the concept in conjunction with other concepts/ideas to solve problems.
